GLASGOW.—**ASSEMBLY ROOMS, 5136, BATH-STREET.**—On Sunday, December 21st, Mr. J. W. Boulding drew large audiences, and his discourses on 'Weights that Hinder Us,' and 'The Gate Beautiful,' were masterpieces of literary skill, and were listened to with marked appreciation.—D.

FULHAM.—**COLVEY HALL, 25, FERNHURST-ROAD.**—On Sunday, December 21st, Madame Katherine St. Clair delivered a truly instructive and uplifting address on 'Prayer.' On Sunday last, Mr. Kent gave an exceptionally instructive address on 'Sentiment and Spiritualism,' for which he was spontaneously awarded a vote of thanks by the audience.—W. T.

PORTSMOUTH.—**ALEXANDRA HALL, BRADFORD-ROAD.**—On Sunday, December 21st, Mr. Oaten answered questions from the audience, and gave an inspiring address on 'Glory to God in the Highest.' On Sunday last Mrs. M. H. Wallis delivered two splendid addresses, which were much appreciated, and gave clairvoyant descriptions, which were all recognised. We hope she will be able to visit us again.—H. B.

MERTHYR TYDFIL.—**BENTLEY'S HALL.**—Special mission services were held on Sunday, December 14th, when suitable addresses were delivered by Mr. A. Peters, followed by clairvoyant descriptions, which were well recognised. On Monday, at Trevelick Hall, Mr. Peters gave very successful psychometry and clairvoyance. Large and appreciative audiences were present at all the meetings, which were so successful that Mr. Peters will shortly conduct other mission services here.—D.

WOLVERHAMPTON.—**CLEVELAND-STREET.**—On Sunday, December 21st, Mrs. M. H. Wallis presented some grand truths at both services and gave some remarkable tests of clairvoyance. On Sunday last Mr. W. J. Leeder gave a good address at the morning service on 'The Development of the Human Will,' and at night he answered six written questions and gave clairvoyance which quite delighted the audience. Mr. George Cole next Sunday.—A.

HACKNEY.—**MANOR ROOMS, KENMURE-ROAD.**—On Sunday last Mr. Ronald Brailey gave a soul-inspiring address entitled 'Heaven's Declaration,' which was listened to with marked attention, and was followed by convincing clairvoyance. Admission by ticket, 6d. each.—H. J. E.

PECKHAM.—**CHEPSTOW HALL, 139, PECKHAM-ROAD.**—On December 21st, Mr. W. Ronald Brailey's timely address on the 'Flight of Ages,' was followed by ten clairvoyant descriptions, during which Christian and surname, precise dates and incidents were given, and all clearly recognised. On Sunday last, Mr. H. Boddington's discourse on 'The First Stage of Transition,' was a great treat to all. At the after-circle real mediumship was much in evidence. On Sunday next, at 11.30 a.m. and at 8 p.m., public sances; at 6.45 p.m., trance address by Mr. Huxley, and vocal and instrumental music will be given.—VERAX.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—On Sunday last a large and appreciative audience assembled to hear Mr. A. V. Peters give clairvoyant descriptions; nineteen spirit friends were described, sixteen of whom were readily recognised. Mr. T. Everitt, President of the Association, occupied the chair for the first time since his return from the provinces, where he and Mrs. Everitt have been working hard for the cause they both love, and spoke in glowing terms of the splendid growth of the spiritualist societies in the North. Speaker on Sunday next, Mr. J. W. Boulding; doors open at 6.30 p.m.—S. J. WATTS, Hon. Sec., 26, Osnaburgh-street, N.W.

STOKE NEWINGTON.—**BLANCHE HALL, 99, WIENBADEN-ROAD.**—On Sunday, December 21st, the secretary gave a reading of Dickens' 'Christmas Carol,' and music was rendered by the choir. On Sunday evening last, Mr. G. T. Gwinn gave an earnest address on 'Let your Light Shine'; 'Watch Ye'; 'Stand Fast.' These were good notes to strike at the near approach of a new year, and we thank our friend for his thoughtful words. On Sunday next, the president and Mr. Jno. Kinsman (vice-president) will give addresses. Members are requested to send in all 'red' cards in time for the party on January 7th.—A. J. C., Cor. Sec., 51, Bouverie-road, N.

The fancy dress carnival on Boxing Day passed off with acclamation. On Sunday last Mr. D. J. Davis gave a retrospective view of the spiritual work of the past year. Mrs. Boddington's effective rendering of the 'Water Mill' evoked a hearty encore, and the band filled all intervals agreeably. Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic and clairvoyant diagnostician, can be consulted daily from 2 p.m. to 5 p.m., or other hours by appointment. Gifted from birth with extraordinary clairvoyant faculties, the doctor is enabled to put it to a practical use in his profession in the diagnosis of disease. He describes with marvellous accuracy every ache, pain, or symptom from which the patient may be suffering, even in the most complicated cases which have baffled the skill of expert medical men, and all without asking a question, or a word being spoken. Hundreds of grateful patients in London and the provinces will cheerfully testify to his wonderful skill in curing cases which have been pronounced incurable. He is especially successful in cases of suspected obsession, and in cases where the patient is unable to pay his regular fee he is only too pleased to give treatment entirely free of charge. No worthy patient has ever been refused the benefit of his God-given power. In connection with his magnetic treatment the doctor uses his famous patented electrostatic machine, which he has especially imported from his American Sanatorium. This instrument is capable of sending thousands of volts through the human body without the slightest unpleasant sensation; on the contrary, it can be taken by the smallest child or most delicate person. Not a particle of clothing need be removed.—SPECIAL NOTICE.—Owing to overwork, Dr. Davis will receive patients only until Sunday, January 11th, after which he leaves for an extended vacation to the Riviera and Egypt, returning to London about March 15th.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, W. Convenient to Oxford-circus Tube or Portland-road Station. Fee for diagnosis, treatment, or readings for business advice, &c., one guinea.

HOW TO ACQUIRE AND STRENGTHEN**WILL-POWER.**

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

Wm. H. J. Edwards, Professor of Vital Magnetism, P.L.V.M. The Psychic Clairvoyant and Spirit Healer has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia, governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as in all cases the brain governing the affected parts must be fully treated by vital magnetism (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. On two occasions during ten years' practice victims have been claimed from him by the operating surgeon; and on both was urged the fatal consequences which must follow the operation for the purpose of saving the sacrifice. Only too truly were the results foretold. 'He is his own battery,' wrote the managing director of *St. Paul's Magazine*, 'when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration. Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy. Colonel M.—with gastritis; General C.—from a mistaken operation of appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife after two physicians had failed to relieve her, with most gratifying results. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, One Guinea, by appointment. To reach all working classes, on Sunday from 10 to 2 p.m., a special reduced fee of 3s. 6d. Special terms for long cases. Correspondence by letter other than for appointment, 2s. 6d., prepaid. Address, 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or Ludgate-hill.

HOW TO ACQUIRE AND STRENGTHEN**WILL-POWER.**

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

BATTERSEA SPIRITUALIST CHURCH MISSION.

Our week's mission has come and gone. The officers of the church co-operated strenuously in their endeavours to crown this undertaking with success, and we believe our object will be achieved by the amount of anxious inquiry aroused. The audiences attracted to Henley Hall during the week were quite unprecedented in the annals of the society in point of numbers, and much intelligent interest was evinced in the various addresses and demonstrations of clairvoyance, psychometry, &c. Several strangers were impressed by the lucid and detailed descriptions given them of their departed friends, and one gentleman, avowedly not a Spiritualist, who recognised a description and name given him by Miss MacCreadie on Sunday as those of his mother, produced a photograph and memorial card of the lady in question on the following evening as an additional proof of the clairvoyante's powers. Altogether the week was a busy but very pleasant one.

Our thanks are due to those kind friends who so readily undertook to help us without fee or reward, and I should particularly like to mention the enthusiastic manner in which Mrs. Effie Bathe worked to make the mission a success. We are also under great obligation to Miss MacCreadie, Miss Porter, Mr. W. Mitchell, Mr. J. J. Vango, Mr. G. Spriggs, Mr. W. Ronald Brailey (who deserves a wider reputation), and Mrs. M. H. Wallis, all of whom rendered good service in the week's work. We had, however, to regret the absence, through sudden indisposition, of Mr. Robert King, who had very willingly promised us his assistance.

The financial side of the mission has been equally satisfactory, as we have cleared all the expenses, which were somewhat heavy. Will those friends who so kindly guaranteed sums towards meeting the outlay note that there is no necessity to call upon them to fulfil their promises, and accept

the best thanks of the officers of my committee for their generous offers?

On Sunday last Mr. Barley, Mus. B., gave an interesting scientific lecture on 'The Principles of the Trinity,' as exemplified by the common chord, with illustrations on the piano. Mr. Wyndoe also related interesting experiences. Mr. Imison presided. On Sunday next, at 3 p.m., Lyceum; at 7 p.m., Mr. Adams on 'Temperance.' Tuesday, at 7 p.m., Band of Hope. Saturday, at 8.30 p.m., social.

WILL J. PITT,
Secretary.

TRANSITION.—Miss Abby A. Judson, the noted author of 'The Bridge between Two Worlds,' and a frequent contributor of interesting letters to the 'Banner of Light,' of Boston, Mass., passed to the spirit world, from her home in Arlington, New Jersey, on December 8th last. She was in bed reading, when her pet dog upset a table on which was a lamp, near the bed. She was greatly burned about the face, neck, and hands, suffered much agony, and passed away on the following day. Miss Judson was the daughter of Dr. Edward Judson, missionary to the Burmese Empire, and was sixty-eight years of age. She was a Spiritualist, and had a world-wide reputation.

Wm. H. J. Edwards, Professor of Vital Magnetism, P.L.V.M., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. On two occasions during ten years' practice victims have been claimed from him by the operating surgeon; and on both were urged the fatal consequences which must follow the operation, for the purpose of saving the sacrifice. Only too truly were the results foretold. 'He is his own battery,' wrote the *managing director* of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 to 2 p.m., a special reduced fee of 3s. 6d. Special terms for long cases. Correspondence by letter, other than for appointment, 2s. 6d., prepaid. Address, 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or Ludgate-hill.

HOW TO ACQUIRE AND STRENGTHEN**WILL-POWER.**

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Ligrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

Wm. H. J. Edwards, Professor of Vital Magnetism, P.L.V.M., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by vital magnetism (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. On two occasions during ten years' practice victims have been claimed from him by the operating surgeon; and on both were urged the fatal consequences which must follow the operation, for the purpose of saving the sacrifice. Only too truly were the results foretold. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 to 2 p.m., a special reduced fee of 3s. 6d. Special terms for long cases. Correspondence by letter, other than for appointment, 2s. 6d., prepaid. Address, 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or Ludgate-hill.

'She makes the action of thought as real to the contemplation as if it were a visible process; and doubters are obliged to consider it thoughtfully, whether they will or no. Her diagrams illustrating the working of thought and of personal magnetism on the human brain and nervous system are delightfully clear and effective; and the few exercises advised for mental and physical development are very potent in their comprehensive simplicity, and by their very manner invite proof.'

'It is in itself an electro-magnet of conscious power which charms by the healthful gladness of the message it brings.'—*Boston Ideas*, November 15th.

**HOW TO ACQUIRE AND STRENGTHEN
WILL-POWER.**

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. JUST PUBLISHED.**HYPNOTISM AND THE DOCTORS.**

(II.)

From MESMER to CHARCOT.

'Hypnotism and the Doctors (II.)' is a unique and most interesting and valuable work, and indispensable for anyone who wishes to understand the origin, nature, and scope of Modern Hypnotism. The author of this volume gives an account of Hypnotism from its revival after the French Revolution to the advent of Modern Hypnotism, a survey which includes not only the report of the Commissioners of the Academy of Medicine, appointed in 1826 (who after five years' patient investigation gave a verdict in favour of Animal Magnetism, and recommended its study), but also the vicissitudes that befell Animal Magnetism, and the causes that led to its eclipse. This is followed by an account of the ideas and practices of the celebrated magnetisers, Dupotet and Lafontaine, Elliotson and Esdaile (the author having himself been a pupil of Lafontaine); and then by a very full and lucid account of the 'Hypnotism' of Braid, the 'Statuolism' of Fahnstock, the 'Pathetism' of Laroy Sunderland, and the 'Electrical Psychology' of Dr. Dods, which is better known as 'Electrobiology.' These four systems differ on the one hand from Animal Magnetism, and on the other from Modern Hypnotism, although all of them are included in 'Hypnotism' in the larger sense in which the word is now used; and those four operators produced by their respective and widely different methods many of the phenomena of the magnetisers, and of the modern hypnotists, as well as others peculiar to themselves; but their theories and practices are unknown to, or ignored by, our hypnotists, although exceedingly interesting and valuable to the student of Hypnotism. In every case the author describes the processes by which these various operators produced their results, thus enabling the reader to repeat their experiments and verify their conclusions. The author's style is remarkably clear, and he keeps his reader interested from first to last. There is an excellent index. The volume is beautifully printed and bound.

CHISWICK TOWN HALL.—Owing to a misunderstanding Mr. Peters' meeting was announced for last Monday instead of Monday next, February 2nd, at 8 p.m. Mrs. Bathe's address will be given on February 9th. (See advertisement.)

NORTHAMPTON.—ST. MICHAEL'S-ROAD.—On Sunday, January 18th, Mr. Rooke delivered two very able addresses, and on Sunday last Miss McKay, of Birmingham, gave a spiritual discourse on the 'Song of the Morning Stars' to a large and appreciative audience.—G. T. R.

PLYMOUTH.—MORLEY HALL, MORLEY-STREET.—On Wednesday, January 21st, after an address on 'Health,' some good clairvoyance was given, and on Friday, the 23rd, a successful members' circle was held. On Sunday last Mr. Osborne, of Cambridge, discoursed ably on 'Modern Spiritualism and the Spiritualism of the Bible,' and won many expressions of gratitude from his hearers.—O.

STOKE NEWINGTON.—BLANCHE HALL, 99, WIESBADEN-ROAD.—On Sunday last, Mr. President Belstead having referred to the contradictory nature of the Bible records, Mr. Brailey aptly followed with a discourse on 'Inspiration,' calculated to uplift and instruct his hearers. His clairvoyance was of a very interesting character, names and messages being freely given, and in most cases easily recognised. At the lantern lecture on Wednesday, January 21st, many spirit photographs were shown upon the screen by the fine lantern which Mr. Clegg manipulated, and particulars of each view were given by Mr. Lacey and Mr. Glendinning. A vote of thanks was accorded to the three gentlemen named. On Sunday next, Mr. Robert King will speak on 'Ghosts,' and on Wednesday, February 4th, he will speak on 'The Astral Body.'

PECKHAM.—CHEPSTOW HALL, 139, PECKHAM-ROAD.—On Sunday evening last, Mr. McDonald, one of the organisers of the Brixton Mission, gave a spiritual address on the 'Immediate Transition,' which was very interesting. At the after-circle good clairvoyance was given, all the descriptions being clearly recognised. On Sunday next, the Union of London Spiritualists will hold meetings here; at 11.30 a.m., public séance; at 3 p.m., assembly of friends and investigators, when well-known speakers will deliver addresses; at 6.45 p.m., service, with Union speakers; and at 8 p.m., public communion will be held. Free seats; service books provided. Visitors cordially welcome. This mission is entirely supported by voluntary offerings. 'LIGHT,' and other spiritual literature always on sale or delivered to subscribers in the district.—VERAX.

CAMBERWELL NEW-ROAD.—SURREY MASONIC HALL, S.E.—Sunday last being the sixteenth anniversary of public work for Spiritualism in South London, was a day of especial thanksgiving and rejoicing. The large audiences at both morning and evening services, the grateful and inspiring addresses of such pioneers as Mr. W. E. Long, Mr. Butcher, and Mr. Veitch, all contributed to a spirit of joyful upliftment that will long be remembered. Mr. Long's *resumé* of the work of the sixteen years was supported by the narration of the early experiences of Messrs. Butcher and Veitch. Mrs. Checketts earnestly appealed to the members of the church to respond to the desire of the leader that they should equip themselves for active service. On Sunday, next at 11 a.m., public circle; and at 6.30 p.m., Mrs. J. Checketts will give an address upon 'Guardian Angels.'—J. C.

Can Telepathy Explain?

RESULTS OF PSYCHICAL RESEARCH.

BY

Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clair-audience; Raps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in Regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can Explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. Wm. Hy. Edwards, Professor of Vital Magnetism, 4, New Cavendish-street, Cavendish-square, W., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Leer, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

JUST PUBLISHED.**HYPNOTISM AND THE DOCTORS.**

(II.)

From MESMER to CHARCOT.

By RICHARD HARTE.

'Hypnotism and the Doctors (II.)' is a unique and most interesting and valuable work, and indispensable for anyone who wishes to understand the origin, nature, and scope of Modern Hypnotism. The author of this volume gives an account of Hypnotism from its revival after the French Revolution to the advent of Modern Hypnotism, a survey which includes not only the report of the Commissioners of the Academy of Medicine, appointed in 1826 (who after five years' patient investigation gave a verdict in favour of Animal Magnetism, and recommended its study), but also the vicissitudes that befell Animal Magnetism, and the causes that led to its eclipse. This is followed by an account of the ideas and practices of the celebrated magnetisers, Dupotet and Lafontaine, Elliotson and Esdaile (the author having himself been a pupil of Lafontaine); and then by a very full and lucid account of the 'Hypnotism' of Braid, the 'Statuolism' of Fahnstock, the 'Pathetism' of Lary Sunderland, and the 'Electrical Psychology' of Dr. Dods, which is better known as 'Electrobiology.' These four systems differ on the one hand from Animal Magnetism, and on the other from Modern Hypnotism, although all of them are included in 'Hypnotism' in the larger sense in which the word is now used; and those four operators produced by their respective and widely different methods many of the phenomena of the magnetisers, and of the modern hypnotists, as well as others peculiar to themselves; but their theories and practices are unknown to, or ignored by, our hypnotists, although exceedingly interesting and valuable to the student of Hypnotism. In every case the author describes the processes by which these various operators produced their results, thus enabling the reader to repeat their experiments and verify their conclusions. The author's style is remarkably clear, and he keeps his reader interested from first to last. There is an excellent index. The volume is beautifully printed and bound.

THEOSOPHY.

Chiswick Lodge of the Theosophical Society.

Lecture held at Adyar Studio, 17, Flanders-road, Bedford Park. Subject for Friday, February 13th, 8 p.m., 'States of Consciousness,' by Mrs. Hooper. Those interested are freely invited.

CHISWICK TOWN HALL.—On Monday last Mr. A. V. Peters, after making some instructive explanatory remarks, gave very satisfactory descriptions of spirit-people, and replied to pertinent questions. A solo was beautifully rendered by Madame Gale. Mr. Percy Smyth, presided, and a special collection was taken in aid of the S.N.U. benevolent fund. The hall was crowded, and many people were unable to gain admission. On Monday next, at 8 p.m., Mrs. Effie Bathe will speak on 'Spiritual Revelation.' (See advertisement.)

CLAPHAM ASSEMBLY ROOMS, FACING CLAPHAM-ROAD STATION ENTRANCE.—On Sunday last Mr. Fielder gave an address on 'Spiritualism: the Saviour of the Churches.' The light of Early Christianity, with the signs and wonders betokening the 'true believer,' had departed from the Christians and is only to be found in the ranks of Spiritualism. Every Thursday, and till further notice, Mr. Ronald Brailey will give psychometry. Tickets sixpence, or silver collection on entrance. Next Sunday, Mrs. Checketts. For private séances at our conversazione (see front page advertisement) early application is advisable.

PLYMOUTH.—ODDFELLOWS' HALL, MORLEY-STREET.—On January 28th we had a grand bazaar, tea and entertainment, opened by Mr. Kelland in a short and able speech. Saltash and Devonport were well represented, both with stalls and members. The proceedings were a financial success. On the 30th the usual members' circle was ably conducted by Mr. J. Evans, and was well attended, the following mediums taking part, viz., Mesdames Pollard, Kelland, Reynolds, Wakeham, and Mr. Hepworth. On February 1st a splendid address was given by Mr. Clavis, followed by successful clairvoyance by Mr. Pollard. Next Sunday, February 8th, Mr. Evans will occupy the platform.—S. S. OSBORNE.

UNION OF LONDON SPIRITUALISTS.—On Sunday last the monthly conference of the above union was held at Chepstow Hall, Peckham, S.E., at 3 p.m. Mr. John Adams, vice-president of the union, presided, and Mr. H. E. Howes, president of the Fulham Society of Spiritualists, gave an address on 'How to Unite our Forces,' showing how a central meeting place in the heart of the City would be a boon to many, where speakers, mediums, workers, and all Spiritualists could meet for soul-fellowship, prayer, lectures, study, and library, and where classes of all kinds could be held. After discussion, a resolution was adopted, 'That in the opinion of this meeting the time has now arrived when premises should be secured to establish a universal centre for the purpose of bringing together members of Spiritualist societies.' A gentleman present promised a guinea towards the proposed centre. Who will be the next to respond? The evening service was presided over by Mr. Roberts, of Manor Park, and two able addresses were given by Mrs. Roberts, of Manor Park, on 'The Soul's Progress in Spirit Life'; and by Mr. Howes, of Fulham, on 'Spiritual Gifts.' A splendid tea was provided by Bro. and Sister Kenyon. The next conference will be held at Workman's Hall, Stratford, on Tuesday, March 1st.—HENRY BROOKS, Gen. Sec.

Can Telepathy Explain?

RESULTS OF PSYCHICAL RESEARCH.

BY

Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clair-audience; Raps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in Regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can Explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. A Partial List of Books, &c.

Wm. Hy. Edwards, Professor of Vital Magnetism, 4, New Cavendish-street, Portland-place, W., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. JUST PUBLISHED.**Can Telepathy Explain?**

RESULTS OF PSYCHICAL RESEARCH.

BY

Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clairaudience; Baps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can Explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. A Partial List of Books, &c.

NEWCASTLE PSYCHICAL RESEARCH SOCIETY.—On Sunday last Miss Nicholls delivered an interesting address on 'Love,' and gave good clairvoyant tests at both meetings. On Sunday next, Mr. Lashbrooke.—H. S., Hon. Sec.

PLYMOUTH.—13, MORELEY-STREET.—On Wednesday, the 4th inst., Mrs. Trueman and Mrs. Stephens rendered acceptable services. On Sunday last Mr. Greenway gave an instructive address and Mrs. Trueman's clairvoyance was, as usual, very good. Mr. Mitchel presided. On Sunday next, Mrs. Trueman.

CHURCH OF THE SPIRIT, SURREY MASONIC HALL, CAMBERWELL NEW-ROAD.—The morning public circle on Sunday last was well attended and many clairvoyant tests of spirit presence were given by Mr. Long. At the evening service the hall was crowded, and an eloquent and inspiring address upon 'To Live is Christ, to Die is Gain,' was given by our leader. On Sunday next, at 11 a.m., public circle; at 6.30 p.m., an address by Mr. W. E. Long.—J. C.

CHISWICK TOWN HALL.—On Monday, February 9th, Mrs. Effie Bathe gave a carefully studied and interesting address upon 'Spiritual Revelation,' and the large audience testified their appreciation by applause. Mr. Percy Smyth presided and made a few remarks on plans for future work. A special collection was taken in aid of poor children attending a Chiswick voluntary Board school. The local Press are giving lengthy reports of our meetings. A business meeting will be held on Tuesday, the 17th inst., at 66, Thornton-avenue, Chiswick.—A. P.

DUNDEE SOCIETY OF SPIRITUALISTS.—At our annual social meeting, on January 27th, a large number of friends spent a very enjoyable evening. The annual business meeting was held on the 3rd inst., and the report showed that there has been a large increase of members during the past year, and that we have a good balance at the bank. Office-bearers were elected as follows: President, J. M. Stevenson; vice-president, Geo. Petrie; minute secretary, James Watson; corresponding secretary, James Murray; treasurer, David C. Clark; committee, Mrs. Stevenson, Miss M. Scott, Messrs. Wm. Anderson, Jas. Inglis, Robt. Milne, and Alexr. Walkinshaw.—J. M., Sec.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—On Sunday last Miss MacCreadie, after a few helpful remarks, was again very successful with clairvoyant descriptions of spirit friends, fourteen of whom were recognised. Several loving messages were also given, which delighted the fortunate recipients. The chairman, Mr. H. Hawkins, read a letter which had been received from one of the audience confirming a remarkable prophetic description of a fire, given by 'Sunshine,' through Miss MacCreadie, in these rooms early in last December, which actually transpired on Boxing night. On Sunday next, at 7 p.m., Mr. E. W. Wallis will deliver a trance address on 'Crossing the Borderland.'

BOOTLE.—In the County Court, at Liverpool, on Tuesday, February 3rd, Mr. E. L. Jones, secretary to the Bootle Society of Spiritualists, sued Mr. G. H. Bibbings, late resident speaker to that society, for the sum of £17 16s. 9d., comprising a loan of £10, and an amount of £8 6s. 3d. handed over to defendant on account of propaganda work, which was to have been undertaken in June, 1902, but which had never been carried out; less 3s. 6d. repaid on account. Defendant admitted indebtedness to the amount of £5 only, and contended that he had expended over £6 in abortive attempts to carry out the propaganda work involved. Other portions of the amount sued for had been, he contended, spontaneous voluntary gifts. This view, however, was not taken by the judge, who decided in favour of the plaintiff for £15 6s. 1d., payment to be made at the rate of 15s. per month.

CLAPHAM ASSEMBLY ROOMS, FACING CLAPHAM-ROAD STATION ENTRANCE.—On Thursday, the 5th inst., Mr. Ronald Brailey gave psychometrical readings with remarkable success. The amalgamated societies' social on the 7th inst. was a financial, numerical, and social success. The friends from the various South London societies spent a very enjoyable time. On Sunday last Mrs. Chocketts gave an interesting and instructive discourse upon 'Living Temples.' Mrs. H. Boddington presided, and Mr. Gerrans contributed a solo. Thursday next, at 8 p.m., Mr. Ronald Brailey, psychometry; silver collection. On Sunday next, at 3.30 p.m., students' group for old and young; at 7 p.m., Mr. H. Boddington will take a subject from the audience. For notice of conversation see advertisement on the front page. Secretaries and correspondents are requested to notice that Mr. R. Boddington has removed from Upper Tooting to 105, Camberwell New-road, London, S.E.

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the *managing director* of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in his despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurat, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

PRACTICAL HYPNOTISM

BY
O. HASHNU HARA.

Just out. Price 1s., post free. 108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 1s. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS
Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, 'Practical.' No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. Can Telepathy Explain?

RESULTS OF PSYCHICAL RESEARCH.

BY
Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clair-audience; Raps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can Explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. SPIRIT IDENTITY.

By M.A., OXON.

A Reprint of Mr. Stainton Moses's valuable work, the first edition of which has for a long time been out of print and very scarce. The author of the book was the original promoter and the first President of the London Spiritualist Alliance, and the Council of the Alliance issues this reprint as an affectionate tribute to his memory.

Contains strong evidence that some of the Spirits who communicate through mediumship are the departed individuals they say they are.

SPIRIT TEACHINGS

Through the Mediumship of William Stainton Moses (M.A., Oxon.),

By Automatic or Passive Writing.

WITH A BIOGRAPHY BY CHARLTON T. SPEER AND TWO FULL-PAGE PORTRAITS.

Handsomely bound in Cloth Gilt, 324pp., demy 8vo., price 3s. 6d. nett, or post free, 3s. 10d.

OFFICE OF 'LIGHT,' 110, ST. MARTIN'S LANE, LONDON, W.C.

The work consists of a large number of messages communicated by automatic writing, and dealing with a variety of Religious, Ethical, and Social subjects of general interest. Among the subjects thus treated may be mentioned Mediumship and Spirit Control—Spheres and States of Spiritual Existence—The Spirit Creed: God, Heaven, Hell, Faith, Belief, Inspiration, Revelation—Orthodox Theology and Spirit Teaching—The Old Faith and the New—Spiritualised Christianity—Suicide and its Consequences—The Final Judgment of Souls—Capital Punishment—The Treatment of the Insane—The True Philanthropist, &c., &c., &c. The volume contains many cases of proof of the identity of communicating Spirits. The writer has connected the message by an autobiographical narrative, giving many details of personal experience.

(Extract from a private letter.)

'It is a book which I believe to be invaluable, and to contain matter specially suitable and useful for these times, when the minds of all thinking men and women are looking for a fresh development of religious truth. It seems to me that it will not only prove of value in indicating to many an earnest seeker the means of escape, for which not a few are now looking, from the agnosticism of the day; but that it will also exercise a very marked influence in disabusing the public mind of the idea that all spirit communications are trivial and worthless. This volume is, at any rate, whatever it may be else, a complete answer on that score.'

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and

Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by vital magnetism (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. "He is his own battery," wrote the managing director of "St. Paul's Magazine," when cured of facial paralysis, after the highest medical skill had failed to afford any relief. "He is a genius," writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to "LIGHT" for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lee, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

Opinion of the author of 'The Light of Asia,' &c.:—'Sir Edwin Arnold returns grateful thanks to Mr. Lovell for the little book which he so kindly sent. He has heard every word of it with profit and with pleasure, and has hardly any fault to find with it except that of its brevity.'

The 'Rock':—'It is a really powerful and thoughtful book, and forms a fitting conclusion to a remarkable series.'

'Morning Post':—'There is much in this volume that may appeal to those who can approach such questions with an open mind.'

O. HASHNU HARA.

Just out. Price 1s., post free. 108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 ls. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. The work consists of a large number of messages communicated by automatic writing, and dealing with a variety of Religious, Ethical, and Social subjects of general interest. Among the subjects thus treated may be mentioned Mediumship and Spirit Control—Spheres and States of Spiritual Existence—The Spirit Creed: God, Heaven, Hell, Faith, Belief, Inspiration, Revelation—Orthodox Theology and Spirit Teaching—The Old Faith and the New—Spiritualised Christianity—Suicide and its Consequences—The Final Judgment of Souls—Capital Punishment—The Treatment of the Insane—The True Philanthropist, &c., &c., &c. The volume contains many cases of proof of the identity of communicating Spirits. The writer has connected the message by an autobiographical narrative, giving many details of personal experience.

(Extract from a private letter.)

'It is a book which I believe to be invaluable, and to contain matter specially suitable and useful for these times, when the minds of all thinking men and women are looking for a fresh development of religious truth. It seems to me that it will not only prove of value in indicating to many an earnest seeker the means of escape, for which not a few are now looking, from the agnosticism of the day; but that it will also exercise a very marked influence in disabusing the public mind of the idea that all spirit communications are trivial and worthless. This volume is, at any rate, whatever it may be else, a complete answer on that score.'

MR. J. J. VANGO'S MEDIUMSHIP.

A most interesting meeting was held at 61, Blenheim-crescent, Notting Hill, on Wednesday evening, February 18th, to celebrate the twenty-first anniversary of Mr. J. J. Vango's beginning of public work as a spiritualistic medium. Among the friends present were Mrs. Ayers, an octogenarian, at whose circle Mr. Vango received his first experience, and Mr. William Todd, who first introduced the subject to him; also Mr. and Mrs. W. Mitchell, of Australia; Mrs. Effie Bathe, Mr. George Spriggs, Mr. Robert King, Miss Porter, Mr. and Mrs. Cooper-Butler, Mrs. Wilkins, Mr. Hawkins, Signor C. Caccia, and other well-known Spiritualists. Mr. and Mrs. Wallis sent their congratulations upon Mr. Vango's 'many years of honourable and successful service in the cause of the angels'; Miss MacCreadie telegraphed 'Every good wish for a happy evening'; Dr. Ellen Colyer sent her testimony, 'You were the first evangelist who gave me any clear knowledge of the new doctrine.' Mr. and Mrs. Bliss-Godden wished Mr. and Mrs. Vango all happiness, success, and good health to continue their good work for many, many years; and Mr. Glendinning sent a testimony to Mr. Vango's having brought comfort in sorrow and bereavement to many. Miss Porter, in a short congratulatory speech, said Mr. Vango had done very good work indeed in the past twenty-one years. He had planted his seed first in the east, but in north, south and west would be found the results. Mr. King spoke of interesting and convincing tests he had received from Mr. Vango's guides fourteen years ago. 'Sunflower,' he said, had surpassed herself by giving tests of a most unique character. When in Sweden last year he had heard an old Spiritualist narrate his grateful memories of séances with Mr. Vango, who had given him messages from Danish and Swedish friends, including their foreign names, which he thought most remarkable. A professor in Copenhagen University, unknown as such to Mr. Vango, had also told him of a visit when he received most satisfactory tests. Mr. King said Mr. Vango was a bright ornament in the spiritualist cause. Mr. Spriggs referred to the opprobrium heaped upon mediums about the time Mr. Vango began his work, but said Mr. Vango had stood firm to the cause, assisted by his good guides and his good wife, and he wished him all prosperity and happiness. Mrs. Effie Bathe said, would that there were more mediums whose lives, public and private, would bear the same scrutiny as Mr. Vango's; Spiritualism would then be the more respected and carry much more weight. Mr. Mitchell said he had come a long way, and a perfect stranger, and he was wisely directed to Mr. Vango, who had proved one of the best friends he had ever had. Mr. Vango, who was received with applause, returned his sincere thanks, on behalf of his wife and himself, for the kind expressions used by the various speakers, and said one of the reasons his guides had wanted this celebration was to show that mediumship, if properly dealt with, was not detrimental to health, as he was much stronger in every way than he was twenty-one years ago. Mrs. Ayers said that that was correct, and added that Mr. Vango had been a very good boy in her circle and had grown up to be a very good man. The company were afterwards entertained to supper, at which pleasant informal speeches were given. Altogether the celebration was a happy event and must have been most gratifying to Mr. and Mrs. Vango.

CONCENTRATION.

By ARTHUR LOVELL.

Second Edition. Enlarged by New Chapter, 'Matter and Force.'

Opinion of the author of 'The Light of Asia,' &c.:—'Sir Edwin Arnold returns grateful thanks to Mr. Lovell for the little book which he so kindly sent. He has heard every word of it with profit and with pleasure, and has hardly any fault to find with it except that of its brevity.'

The 'Rock':—'It is a really powerful and thoughtful book, and forms a fitting conclusion to a remarkable series.'

'Morning Post':—'There is much in this volume that may appeal to those who can approach such questions with an open mind.'

'Pall Mall Gazette':—'Concentration is the supremest art, and we are grateful for the author's insistence upon it.'

PRACTICAL HYPNOTISM

BY

O. HASHNU HARA.

Third Edition. Price 1s., post free (no stamps).
108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 1s. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. SR. L. B. LEICESTER.

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 8s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

CONCENTRATION.

By ARTHUR LOVELL.

Second Edition. Enlarged by New Chapter, 'Matter and Force.'

Opinion of the author of 'The Light of Asia,' &c.:—'Sir Edwin Arnold returns grateful thanks to Mr. Lovell for the little book which he so kindly sent. He has heard every word of it with profit and with pleasure, and has hardly any fault to find with it except that of its brevity.'

The 'Rock':—'It is a really powerful and thoughtful book, and forms a fitting conclusion to a remarkable series.'

'Morning Post':—'There is much in this volume that may appeal to those who can approach such questions with an open mind.'

'Pall Mall Gazette':—'Concentration is the supremest art, and we are grateful for the author's insistence upon it.'

PRACTICAL HYPNOTISM

BY
O. HASHNU HARA.

Third Edition. Price 1s., post free (no stamps).
108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 1s. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. HOW TO ACQUIRE AND STRENGTHEN**WILL-POWER.**

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

LONDON PSYCHO-THERAPEUTIC SOCIETY.

In the current number of the 'Psycho-Therapeutic Journal' an earnest appeal is made for increased support on behalf of the London Psycho-Therapeutic Society, which continues to do good work in promoting the scientific study and investigation of all the various methods of psychic and mental healing, and in giving free treatment to the poor. The society is now approaching the close of the second year of its existence, and the progress already made and the good work done give those who are actively identified with it every encouragement to proceed with their labours. But although the income of the society has been larger this year than last, the expenditure has also increased, consequent upon the maintenance of permanent and exclusive headquarters, and the society, therefore, finds itself at the present time in need of further financial aid to tide it successfully over the remaining four months of the present financial year, i.e., to June 30th next, when the subscriptions of members and associates become due. Donations or subscriptions will be gratefully acknowledged by the hon. secretary, Mr. Arthur Hallam. The workers in the society give their services free of charge, and all whose means are too limited to enable them to obtain professional attention elsewhere may attend at the headquarters, 3, Bayley-street, Bedford-square, W.C., any Monday or Friday afternoon from three to five o'clock, for free diagnosis, advice, and treatment. The office is open to members and associates on Tuesday evenings, from 7 to 9.30, for the purposes of reading, writing, &c. Meetings and lectures are also held periodically. On Friday, March 27th, Dr. Bernard Hollander will lecture on 'What are Mentally Defective Children? and How to Treat Them.' On Wednesday, April 1st, the second anniversary of the society's formation, the committee (of which Mr. George Spriggs is the chairman) propose to entertain the members and associates at a social evening.

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and

Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General S.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

CONCENTRATION.

By ARTHUR LOVELL.

Second Edition. Enlarged by New Chapter, 'Matter and Force.'

Opinion of the author of 'The Light of Asia,' &c.:—'Sir Edwin Arnold returns grateful thanks to Mr. Lovell for the little book which he so kindly sent. He has heard every word of it with profit and with pleasure, and has hardly any fault to find with it except that of its brevity.'

The 'Rock':—'It is a really powerful and thoughtful book, and forms a fitting conclusion to a remarkable series.'

'Morning Post':—'There is much in this volume that may appeal to those who can approach such questions with an open mind.'

'Pall Mall Gazette':—'Concentration is the supremest art, and we are grateful for the author's insistence upon it.'

PRACTICAL HYPNOTISM

BY

O. HASHNU HARA.

Third Edition. Price 1s., post free (no stamps).
108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 1s. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. GIBBONS SCHOOL OF HYPNOTISM.

Practical Lectures with Living Subjects.

NEXT TERM COMMENCES MARCH 30TH, 1903.

Each Term covers a period of five weeks, and consists of Ten Practical Lessons in every branch of Hypnotism and Mesmerism, including the methods of Naransh Yogis (which can only be obtained in India, as a rule, at a cost of from £50 to £150).

Practical Tuition at a reasonable fee.

'At the Gibbons School of Hypnotism, on Monday evening last, the principal, Mr. J. W. Gibbons, gave an interesting exhibition of his powers and methods. He practically illustrated the influence of suggestion by inducing the sleep in one of his subjects, throwing him into the cataleptic state, and then, partially awakening him, causing him to see a number of figures upon a blank sheet of notepaper. Mr. Gibbons afforded his pupils opportunities to experiment and induce sleep in the subjects, and gave them helpful instructions and advice for their future guidance. This school should be very useful to those who desire to become successful hypnotists.'—'LIGHT.'

JUST PUBLISHED.**Can Telepathy Explain?**

RESULTS OF PSYCHICAL RESEARCH.

BY

Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clair-audience; Raps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. HOW TO ACQUIRE AND STRENGTHEN

WILL-POWER.

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lange, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnosis, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

Returned.—Wm. Harlow Davis, M.D., of California, U.S.A., the eminent specialist in diagnosis and electro-therapeutics, has returned to London. Gifted from birth with extraordinary clairvoyant faculties, he is enabled to describe with unflinching accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. This marvellous gift, combined with his wide experience as a physician, and medical knowledge obtained at the best Universities in the United States, accounts for the large number of cures made by him in so-called incurable cases which have astonished the laity and medical faculty of both continents. Sensitives developed for all phases of psychical phenomena. Electro-magnetic treatment and advice given daily from 2 p.m. to 5 p.m., or other hours by appointment. Fee, one guinea. Special terms for a course of treatment. The worthy poor treated and supplied with medicines when required, absolutely free of charge. No worthy person has ever been refused the benefit of his God-given power; and the truly destitute need have no hesitation in making application to him by letter, in first instance, with self-addressed envelope, asking for appointment.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a few minutes walk from Oxford-circus Tube or Portland-road Station).

Wm. H. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurat, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

PRACTICAL HYPNOTISM

BY

O. HASHNU HARA.

Third Edition. Price 1s., post free (no stamps).
108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 ls. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. CAMBERWELL NEW-ROAD.—SURREY MASONIC HALL.—On Sunday last, remarkably good work was done at the morning public circle. At the evening service 'Heaven and Hell' was dealt with by Mr. W. E. Long in his usual clear and concise manner, and was keenly appreciated by the large audience. On Sunday next, a public circle will be held at 11 a.m.; strangers and investigators heartily welcomed, and questions invited. At 6.30 p.m., Mr. Long will speak upon 'Problems of Death.'—J.C.

NORTHAMPTON.—ST. MICHAEL'S-ROAD.—On Sunday last Mr. Dales, of East Dulwich, London, delivered an interesting address on 'The Sun's Influence on Character' to a large and attentive audience. We are thankful to Mr. Dales for his generous help. On Sunday last Mr. H. Clarke, of Leicester, delivered two good addresses to crowded audiences, and solos were nicely sung by Miss Jones. On Monday last a successful tea and concert were held, with efficient string band. Speaker on Sunday next, Mr. D. Ward.—R.

NEWCASTLE PSYCHICAL RESEARCH SOCIETY.—On Saturday evening last a largely-attended concert was given in honour of Mr. Thomas Bennett, a well-known worker for Spiritualism, who is leaving Newcastle for Canada. Mr. Stevenson, of Gateshead, presided, and a purse of money was presented to Mr. Bennett as a mark of appreciation from his many friends in the district. An excellent programme of vocal and instrumental music was rendered. On Sunday last Mrs. Stone gave a short trance address on 'The Soul's Salvation' to a large and attentive audience. At the after meeting, excellent clairvoyant tests were given by Mrs. Stone, and psychometry by Mr. Bennett.—S.

CLAPHAM ASSEMBLY ROOMS, FACING CLAPHAM-ROAD STATION ENTRANCE.—On Sunday last Mrs. J. Stannard, of the Psycho-Therapeutic Society, speaking on 'Mental States in Relation to Health,' claimed that the medical fraternity were being forced by Mental Scientists, Spiritualists, and other 'forward' movements, to recognise the action of mind over body. The folly of still further taxing an already depleted system by poisonous drugs, when the cause was purely mental, and the remedy, of necessity, mental change and judicious diet, was being forced home by the cures which these societies were effecting after physicians had pronounced the cases hopeless. The large hall was well filled and the address was frequently applauded. The intelligent questions at the close must have been very gratifying to the lecturer. Mrs. Boddington presided, and by request sang a solo, 'Something Sweet to Think of.' On Sunday next, at 7 p.m., members' experiences. Thursday next, at 8 p.m., Mr. Ronald Brailey, psychometry. Tuesday, March 31st, Mr. E. S. G. Mayo, from Cardiff. All seats free.—B.

Returned.—Wm. Harlow Davis, M.D., of California, U.S.A., the eminent specialist in diagnosis and electrotherapeutics, has returned to London. Gifted from birth with extraordinary clairvoyant faculties, he is enabled to describe with unflinching accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. This marvellous gift, combined with his wide experience as a physician, and medical knowledge obtained at the best Universities in the United States, accounts for the large number of cures made by him in so-called incurable cases which have astonished the laity and medical faculty of both continents. Sensitives developed for all phases of psychical phenomena. Electro-magnetic treatment and advice given daily from 2 p.m. to 5 p.m., or other hours by appointment. Fee, one guinea. Special terms for a course of treatment. The worthy poor treated and supplied with medicines when required, absolutely free of charge. No worthy person has ever been refused the benefit of his God-given power; and the truly destitute need have no hesitation in making application to him by letter, in first instance, with self-addressed envelope, asking for appointment.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a few minutes walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

CONCENTRATION.

By ARTHUR LOVELL.

Second Edition. Enlarged by New Chapter, 'Matter and Force.'

Opinion of the author of 'The Light of Asia' &c.:—'Sir Edwin Arnold returns grateful thanks to Mr. Lovell for the little book which he so kindly sent. He has heard every word of it with profit and with pleasure, and has hardly any fault to find with it except that of its brevity.'

The 'Rock':—'It is a really powerful and thoughtful book, and forms a fitting conclusion to a remarkable series.'

'Morning Post':—'There is much in this volume that may appeal to those who can approach such questions with an open mind.'

'Pall Mall Gazette':—'Concentration is the supremest art, and we are grateful for the author's insistence upon it.'

PRACTICAL HYPNOTISM

BY

O. HASHNU HARA.

Third Edition. Price 1s., post free (no stamps).
108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the 21 ls. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. ST. L. B. LEICESTER.

DUNDEE SOCIETY OF SPIRITUALISTS.—Miss Burton, of Bury, was with us from March 22nd till the 25th, and gave great assistance to the Lyceum officers and children. On the Sunday forenoon she conducted a children's service, and in the evening gave an interesting account of the Lyceum movement. On Tuesday evening she delivered a fine trance address, and at these three meetings she gave successful clairvoyance.

TOTTENHAM.—193, HIGH-ROAD.—On Sunday last Mr. Lewis delivered his first address here on 'Some Theories of Life,' in which he traced the upward evolution of man's religious theories. The chairman, in thanking Mr. Lewis, urged the necessity of the maintenance of an open mind to all new forms of thought. Miss Lawrence sang 'O rest in the Lord' very creditably. On Sunday next, Mr. G. Cole on 'Stainton Moses.'—W. F. L.

BATTERSEA PARK-ROAD, HENLEY-STREET.—On Sunday last Mrs. Graddon-Kent delivered an intellectual address on 'Psychology and Clairvoyance,' and related many interesting experiences. Mr. Adams presided. A duet by Mr. and Mrs. Kent was much appreciated. On Sunday next, at 3 p.m., Lyceum; at 7 p.m. Mr. R. Boddington. On Tuesday, at 7 p.m., Band of Hope. On Thursday, at 8.30 p.m., spiritual discussion. On Saturday, at 8.30 p.m., social evening.—E. B.

STOKE NEWINGTON.—BLANCHE HALL, 99, WIESBADEN-ROAD.—On Sunday evening Mr. George Cole gave an address on 'Spiritualism and Spiritual-Mindedness.' Mr. Cole improves upon acquaintance and one selfishly regrets that he is about to leave London. Earnest good wishes were extended to him at the close of the meeting. On Sunday next, Miss MacCreadie (as formerly announced) will give clairvoyance and name an infant. (Silver collection.) On Good Friday the annual tea and social will be held. (5 p.m. till 12.)—A. J. C.

STREATFORD.—WORKMAN'S HALL, WEST HAM-LANE, E.—On Tuesday, March 24th, a lantern lecture on 'Spirit Photography' was given by Mr. A. Clegg (of Stoke Newington), when some interesting photographs were thrown on the sheet by the splendid lantern which Mr. Clegg possesses. Mr. Blackwell, who sat in each case for the results shown, explained the conditions under which the photographs were obtained. Mr. Metcalfe also related his experiences in spirit photography, which were much appreciated. On Sunday last, Mr. G. Tayler Gwinn presided and gave a reading. Mr. R. King delivered a deeply interesting lecture on 'Planchette: Its Use and Abuse.' On Sunday next, Mr. J. Adams.—S.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—On Sunday last Mr. E. S. G. Mayo, of Cardiff, who was welcomed by a numerous audience, delivered his first address at these rooms. The title, 'Death's Death,' was suggestive of interest and he sustained the close attention of his hearers throughout a logical and masterly address of high merit, to which a reading, by Mr. Mayo, entitled 'Through Life to Death,' formed a fitting prelude. Mr. T. Everitt, president, heartily thanked the medium on behalf of all present for the intellectual treat afforded them. On Sunday next, at 7 p.m., Mrs. M. H. Wallis will deliver an Anniversary address on 'Life's Triumph,' followed by clairvoyance. Doors open 6.30 p.m.—S. J. WATTS, Hon. Sec.

MARYLEBONE ASSOCIATION OF SPIRITUALISTS.

On Monday evening, March 30th, a large number of the members and friends of the Marylebone Association of Spiritualists spent a pleasant social evening in the Regent's Saloon, St. James's Hall. Mr. T. Everitt, the president, in an appropriate speech of welcome, explained the threefold purpose of the gathering, viz., to celebrate the fifty-fifth anniversary of Modern Spiritualism; to assist the National Fund of Benevolence; and to spend an enjoyable evening in social and spiritual intercourse. Mr. J. T. Cooper, the vice-president, feelingly urged the claims of distressed and needy Spiritualists and bespoke the sympathetic support of his hearers for the Fund of Benevolence, and Mr. E. W. Wallis made a few interesting remarks. Miss MacCreadie and Mr. A. Peters both gave a number of clairvoyant descriptions of spirits, which were readily recognised, and the following friends also contributed to the pleasure of the audience: Mrs. Cooper, pianoforte solo; Miss Samuel, two songs; Mrs. Meads and Miss Brinkley, one song each; and Mr. E. Meads, two recitations; all of which were heartily applauded. Refreshments were served during the evening and a very happy influence prevailed throughout.

Returned.—Wm. Harlow Davis, M.D., of California, U.S.A., the eminent specialist in diagnosis and electro-therapeutics, has returned to London. Gifted from birth with extraordinary clairvoyant faculties, he is enabled to describe with unflinching accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. This marvellous gift, combined with his wide experience as a physician, and medical knowledge obtained at the best Universities in the United States, accounts for the large number of cures made by him in so-called incurable cases which have astonished the laity and medical faculty of both continents. Sensitives developed for all phases of psychical phenomena. Electro-magnetic treatment and advice given daily from 2 p.m. to 5 p.m., or other hours by appointment. Fee, one guinea. Special terms for a course of treatment. The worthy poor treated and supplied with medicines when required, absolutely free of charge. No worthy person has ever been refused the benefit of his God-given power; and the truly destitute need have no hesitation in making application to him by letter, in first instance, with self-addressed envelope, asking for appointment.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a few minutes walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and

Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

SERMONS

Preached for the most part in Westminster Abbey (Second Series),

By BASIL WILBERFORCE, D.D.,

Archdeacon of Westminster, Chaplain to the Speaker, Select Preacher before the University of Oxford.

EXTRACT FROM PREFACE:—"The preacher does not assume to provide a clear solution to the weary problems which surround human existence; he merely records the experience of a heart 'feeling after Him,' with an unshakeable conviction that the responsible Creative Spirit is, by virtue of His Omnipotence, under obligation to effect, here or elsewhere, the moral perfection of all that He has caused, by thought-generation, to be."

PRACTICAL HYPNOTISM

BY

O. HASHNU HARA.

Third Edition. Price 1s., post free (no stamps).
108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 1s. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. ST. L. B. LEICESTER.

Returned.—Wm. Harlow Davis, M.D., of California, U.S.A., the eminent specialist in diagnosis and electro-therapeutics, has returned to London. Gifted from birth with extraordinary clairvoyant faculties, he is enabled to describe with unflinching accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. This marvellous gift, combined with his wide experience as a physician, and medical knowledge obtained at the best Universities in the United States, accounts for the large number of cures made by him in so-called incurable cases which have astonished the laity and medical faculty of both continents. Sensitives developed for all phases of psychical phenomena. Electro-magnetic treatment and advice given daily from 2 p.m. to 5 p.m., or other hours by appointment. Fee, one guinea. Special terms for a course of treatment. The worthy poor treated and supplied with medicines when required, absolutely free of charge. No worthy person has ever been refused the benefit of his God-given power; and the truly destitute need have no hesitation in making application to him by letter, in first instance, with self-addressed envelope, asking for appointment.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a few minutes walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

PRACTICAL HYPNOTISM

BY

O. HASHNU HARA.

Third Edition. Price 1s., post free (no stamps).
108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 1s. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. PLYMOUTH.—13, MORLEY-STREET.—On Sunday last Mr. Clavis discoursed on 'Materialisations' to a large audience, and Mrs. Ford gave remarkable trance clairvoyance, every description being recognised. The week evening séances were, as usual, very successful. Speaker on Sunday next, Mr. Evans. Clairvoyance will be given by Mrs. Pollard.—O.

PADDINGTON.—We were favoured on Easter Monday with a visit from Mr. G. H. Bibbings (resident lecturer Leicester Society), through whom an able and instructive address was given on 'The Eternal Peace.' Mr. Bibbings' three years' residence in Liverpool deprived his many London friends and admirers of the pleasure of listening to him, but satisfaction is now to be derived from the fact that societies are booking him, and Mr. Bibbings has expressed his willingness to meet them liberally in the matter of expenses.—C.

NORWICH.—It is with pleasure we record the first meeting of Spiritualists here at the Library Dining Rooms, Duke-street, where a nice room has been obtained. Those present at a recent private meeting, when they decided to start a class, were joined by two or three others who had heard of their decision. For the first sitting it was a remarkable success, for by the ordinary table movements one of their number received a clear message from a friend who passed over to the great majority as recently as last October. This was very encouraging, and the small number who have thus started are determined to go on with the meetings until they are strong enough, numerically, to form a society in this old city.—F. P.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—On Sunday, April 5th, Mrs. M. H. Wallis delivered an inspirational address on 'Life's Triumph,' and gave successful clairvoyance, both of which gave much pleasure to all present. On Sunday last, owing to the absence of Miss MacCreadie, Mr. George Spriggs, vice-president, delivered an address upon 'Mediumship,' in which he gave valuable advice to all who were forming circles for development. As the address was illustrated by the personal experiences of Mr. Spriggs, it was doubly interesting to his hearers, who showed by their applause their great appreciation. Mr. W. T. Cooper, chairman, made a few interesting remarks relative to the address. On Sunday next, at 7 p.m., Mr. E. W. Wallis will answer written questions; doors open 6.30.—S. J. WATTS, Hon. Sec., 26, Osnaburgh-street, N.W.

BOOTLE.—The annual bazaar and sale of work at Stanley Hall, on Monday last, was opened by Mrs. Butterworth, of Blackpool, who wished the undertaking success, and generally inspired the workers present to attempt to realise their most ambitious hopes. Councillor Butterworth, owing to delicate health, was unable to attend. Mrs. Butterworth's substantial and acceptable assistance was good-naturedly seconded by Mrs. Green, Mrs. Eyles, and Mrs. Powell-Williams—all of Manchester—who kindly gave clairvoyance, psychometry, and other interesting delineations. The attendance was good and the proceedings of an animated nature. Musical selections were well rendered by many willing artistes, including Miss Green, Miss Pugh, Miss Sivah Cartwright, Miss M. Jones, Mr. E. Cheshire, Mr. F. Clarke, and Miss S. Owen (pianiste). Music for the dancing was rendered by Messrs. Ushers, of Crosby, and the refreshment stall was ably conducted by Mrs. J. G. Owen. It is hoped that the results will surpass those of previous efforts.—J.

BATTERSEA.—The conversation and dance (promoted by the Battersea Society in aid of their organ fund) held at the Battersea Town Hall, on Tuesday, March 31st, were very enjoyable. The hall was well filled, and an excellent programme was gone through under the direction of Mr. Fred Solomon. The songs by Mrs. Frank Seaward, Miss Daisy Greenman, Miss Gladys Solomon (aged nine), Mr. Charles Greenman, Mr. J. Holmwood, and Mr. B. Walton were much appreciated. Mrs. Effie Bathe, in the character of Miss Virginia Loveless, introduced by Mr. George Spriggs, read a humorous essay on 'Man,' specially written for the occasion, which caused much merriment. Madame St. Clair's rendering of Mrs. Browning's 'A Woman's Shortcomings,' and that of Miss Beryl Lawrence, a little mite of five years, who recited 'A Midnight Charge,' were heartily enjoyed. Miss Daisy Barker, G.S.M., made an excellent pianiste, and Mr. Adams (president of the society) welcomed the guests from the chair in his usual hearty manner. The proceedings concluded with dancing. Much regret was expressed at the unavoidable absence of the patrons, Mr. and Mrs. Wallis, Miss MacCreadie, and Miss Anna Chapin. Among those present were Mr. George Spriggs, Mr. South (of the London Spiritualist Alliance), Mr. and Mrs. Boddington (Clapham), Mr. and Mrs. Ronald Brailey, Mr. and Mrs. J. J. Vango, Mr. and Mrs. Percy Smyth, and many other well-known workers in the movement.

Be happy over something every day, for the brain is a thing of habit, and you cannot teach it to be happy in a moment if you allow it to be miserable for years.

Returned.—Wm. Harlow Davis, M.D., of California, U.S.A., the eminent specialist in diagnosis and electrotherapeutics, has returned to London. Gifted from birth with extraordinary clairvoyant faculties, he is enabled to describe with unflinching accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. This marvellous gift, combined with his wide experience as a physician, and medical knowledge obtained at the best Universities in the United States, accounts for the large number of cures made by him in so-called incurable cases which have astonished the laity and medical faculty of both continents. Sensitives developed for all phases of psychical phenomena. Electro-magnetic treatment and advice given daily from 2 p.m. to 5 p.m., or other hours by appointment. Fee, one guinea. Special terms for a course of treatment. The worthy poor treated and supplied with medicines when required, absolutely free of charge. No worthy person has ever been refused the benefit of his God-given power; and the truly destitute need have no hesitation in making application to him by letter, in first instance, with self-addressed envelope, asking for appointment.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a few minutes walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—4 (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Articles of attire can be fully magnetised and forwarded to all parts.

Third Edition. Price 1s., post free (no stamps).
108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 ls. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. SPIRIT IDENTITY.

By M.A., OXON.

A Reprint of Mr. Stainton Moses's valuable work, the first edition of which has for a long time been out of print and very scarce. The author of the book was the original promoter and the first President of the London Spiritualist Alliance, and the Council of the Alliance issues this reprint as an affectionate tribute to his memory.

Contains strong evidence that some of the Spirits who communicate through mediumship are the departed individuals they say they are.

NEWCASTLE PSYCHICAL RESEARCH SOCIETY.—On Sunday last a large audience listened to an earnest address by Mr. James, on 'Immortality.' At the after-meeting Mr. James gave several psychometrical tests. On Tuesday, April 7th, a large number of Spiritualists and others assembled at the Central Station to wish Mr. Bennett, our late president, a safe journey to Canada. Mr. Bennett is a willing worker and an excellent psychometrist. We trust he will not only regain his health, but be successful in every way in his new home.

LEICESTER.—The Queen-street society have shown their continued confidence and appreciation of the sterling services rendered by Mr. G. H. Bibbings, as resident lecturer, by unanimously requesting him to continue to serve them during 1904, which offer he has accepted. Since Mr. Bibbings has taken up his work as pastor for this year, the increased audiences and interest displayed are convincing signs that the call to Leicester was not premature. He has added many to his already large circle of friends by his fearless and manly way of presenting the truth. By his ability to deal with the many sides of human experience, he has rendered much service to many inquiring minds. It is a source of real joy to see the goodwill which is shown to our brother; indeed his intelligent supporters recognise in him that quality which makes for truest progress, which is wider than any 'ism.' We believe that both Mr. and Mrs. Bibbings have experienced much happiness amongst us, and we trust that these conditions may always prevail, and that kindly thoughts and deeds may ever be extended towards them.—F. MARSHALL, Secretary.

Returned.—Wm. Harlow Davis, M.D., of California, U.S.A., the eminent specialist in diagnosis and electro-therapeutics, has returned to London. Gifted from birth with extraordinary clairvoyant faculties, he is enabled to describe with unflinching accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. This marvellous gift, combined with his wide experience as a physician, and medical knowledge obtained at the best Universities in the United States, accounts for the large number of cures made by him in so-called incurable cases which have astonished the laity and medical faculty of both continents. Sensitives developed for all phases of psychical phenomena. Electro-magnetic treatment and advice given daily from 2 p.m. to 5 p.m., or other hours by appointment. Fee, one guinea. Special terms for a course of treatment. The worthy poor treated and supplied with medicines when required, absolutely free of charge. No worthy person has ever been refused the benefit of his God-given power; and the truly destitute need have no hesitation in making application to him by letter, in first instance, with self-addressed envelope, asking for appointment.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a few minutes walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whil-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City. Read my pamphlet on Vaccination, price 2½d; how disease is created.

PRACTICAL HYPNOTISM

BY

O. HASHNU HARA.

Third Edition. Price 1s., post free (no stamps).
108pp. paper.

WE HAVE NO COURSES TO EXPLOIT. This little work contains as much real practical knowledge of method employed in Mesmerism, Hypnotism, and Suggestion as any six of the £1 ls. courses so extensively advertised.

EIGHTEEN DIFFERENT METHODS

Of inducing the phenomena are clearly taught, including those of Mesmer, the Paris School, and the Nancy School, and American Teachers.

SELF-HYPNOTIC HEALING

Also clearly taught in this little book.

'It certainly is, as it is called, "Practical." No book, I am sure, could be fuller, and the extremely low fee of 1s. is ridiculous. Why! it is very much better than one or two Guinea Courses I have in my possession, and if the same had been made into a more bulky volume, with "silk covers" and "gilt edges," would have sold quite as well at a guinea, and well worth it.'—G. Brighton.—Curative Magnetism. Magnetic Healer, Hypnotist, attends and receives patients by appointment for Brain, Heart, Nervousness, Insomnia, Deafness, Nervous Blindness, Weak Sight, Bad Habits, Worry, &c. Can show wonderful testimonials of cures after being pronounced hopeless by doctors.—Professor Haytill, 88, Buckingham-place, Brighton.

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. “He is his own battery,” wrote the managing director of “St. Paul's Magazine” when cured of facial paralysis, after the highest medical skill had failed to afford any relief. “He is a genius,” writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to “LIGHT” for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team. Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Petham, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 5s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City.

CARDIFF.—24, ST. JOHN'S CRESCENT.—On Sunday last, Mrs. Preece's eloquent address on 'True Worship' was much enjoyed by all, and good clairvoyance was given by Mrs. Bewick.

FULHAM.—COLVEY HALL, 25, FERNHURST-ROAD.—On Sunday last, Madame Clairibelle gave clairvoyant descriptions, a good proportion of which were recognised at the time, others after the meeting. On Sunday next, at 7 p.m., Mr. George Tayler Gwinn. On Monday, May 11th, at 8 p.m., members' general meeting; on Wednesday, May 13th, at 8 p.m., Mrs. Graddon-Kent, psychometry.—W. T.

HULL.—CLARENDON HALL.—On Sunday, April 26th, Mrs. Crompton, of Bolton, delivered addresses, and at the after-service gave some excellent clairvoyance. On Monday and Tuesday evenings questions from the audience were answered, and satisfactory clairvoyance and replies to mental questions followed. Mrs. Crompton's visit has been the means of convincing some doubting ones of the truth of Modern Spiritualism.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—'New Light in an Old Lamp' formed the theme of an address given by Mr. J. W. Boulding on Sunday evening last. The subject was brilliantly treated, and the highest spiritual ideals were set forth in eloquent and beautiful language, imparting useful knowledge and stirring up a spirit of inquiry. Mr. W. T. Cooper presided very ably. On Sunday next, at 7 p.m., Miss MacCreadie will give clairvoyance; doors open 6.30.—S. J. W.

HACKNEY.—MANOR ROOMS, KENMURE-ROAD.—On Sunday last Mr. Alfred Peters continued his interesting addresses on 'Ancient Religions,' referring especially to the religions of India. The clairvoyance which followed was, as usual, clear and convincing, every description being recognised, and often supplemented with names, &c. On Sunday next Mr. Ronald Brailey will give an address and clairvoyance. Owing to the greatly increased attendances at these meetings, the executive have engaged the Manor Theatre for their Sunday services on and after the 31st inst. This fine hall, which will seat over eight hundred persons, will place us in possession of one of the best meeting places in the movement. We, therefore, ask the kind assistance of members and friends in making this known, that by increased audiences we may be able to meet the great expense entailed. Full announcements of the opening ceremony will be duly advertised in 'LIGHT.'—H. G.

5, Osnaburgh Terrace, Albany Street, N.W.

Close to Portland-road Station. Waterloo Bus passes the Terrace.

Wm. Harlow Davis, M.D., of California,

U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).—SPECIAL NOTICE.—On May 21st, at 7 p.m., Dr. Davis will publicly demonstrate his clairvoyant gifts by platform tests in the Athenaeum Hall, Shepherd's Bush, the proceeds to be for the benefit of the Shepherd's Bush Spiritualist Association. Brighton.—Curative Magnetism. Magnetic Healer, Hypnotist, attends and receives patients by appointment for Brain, Heart, Nervousness, Insomnia, Deafness, Nervous Blindness, Weak Sight, Bad Habits, Worry, &c. Can show wonderful testimonials of cures after being pronounced hopeless by doctors.—Professor Haylip, 38, Buckingham-place, Brighton.

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. "He is his own battery," wrote the *managing director of 'St. Paul's Magazine'*, when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. "He is a genius," writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to "LIGHT" for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City.

OFFICE OF 'LIGHT,' 110, ST. MARTIN'S LANE, W.C.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. Brighton.—Curative Magnetism. Magnetic Healer, Hypnotist, attends and receives patients by appointment for Brain, Heart, Nervousness, Insomnia, Deafness, Nervous Blindness, Weak Sight, Bad Habits, Worry, &c. Can show wonderful testimonials of cures after being pronounced hopeless by doctors.—Professor Hayslip, 38, Buckingham-place, Brighton.

Wm. Hy. Edwards, Professor of Vital Magnetism, 247, Ivydale-road, Nunhead, S.E., the Psychic Clairvoyant and Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. Little permanent benefit can be derived from merely local treatment in severe cases of shock to the system; as, in all cases, the brain governing the affected parts must be fully treated by *vital magnetism* (not the mere current from a galvanic battery) if the patient is to be thoroughly restored. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of *facial paralysis*, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, Ivydale-road, Nunhead, near station, twenty minutes from Victoria or City.

Colville addressed a crowded audience in the Banqueting Hall of Willison's Hotel, Blagrove-street, on 'The Moral and Spiritual Blessings obtainable through Suggestion.' Questions on a great variety of topics, all bearing on the central theme, called forth instructive replies. Meetings are held regularly on Wednesdays, at 7.30 p.m., and on Wednesday, May 27th, Mr. Colville will speak on 'Ancient and Modern Magic.' Mrs. Beadon is also expected to address the meeting. A good nucleus of earnest workers is now formed in Reading and the outlook is encouraging.—COR.

THE PSYCHOLOGICAL SOCIETY (LONDON).

Mr. Cecil Husk attended two experimental meetings, and Mrs. Corner one, during the past week, at 67, George-street, Portman-square, W., the results obtained being extremely gratifying. The address on 'The Nazarene,' by Miss A. V. Earle, was given before a highly appreciative audience, her clairvoyant descriptions at the close being unusually good, nearly every one of them being identified at once. Mr. Arthur Lovell's address on 'The Elixir of Life,' was listened to by a large number of members and their friends, many of the latter sending in their names as candidates for election for membership, during the conversazione with which the evening closed. Over one hundred members have been elected during the past six weeks. A remarkable case of a 'danger' prediction, given in connection with one of our members last month, through a photograph of him taken by Mr. R. Bournell, was mentioned during the evening, the member having passed on suddenly, within a few days of the photograph having been taken.—GAMBIER BOLTON, Secretary.

MR. W. J. COLVILLE.—On Saturday, May 23rd, Mr. W. J. Colville will lecture at 22, University-street, W.C., at 3 p.m. (by special request), on 'The Human Aura: Its Nature and Development,' and at 8 p.m., on 'Trance, Inspiration and Ecstasy.' Questions invited on both occasions. For other arrangements see advertisements elsewhere.

CREATIVE POWER.—The idea that the marvellous phenomena of life sprang from a 'fortuitous grouping of atoms' did not receive the support of Lord Kelvin in his recent speech at University College. His lordship said: 'While "fortuitous concourse of atoms" is not an inappropriate description of the formation of a crystal, it is utterly absurd in respect to the coming into existence, or the growth, or the continuation of the molecular combinations presented in the bodies of living things. Here scientific thought is compelled to accept the idea of creative power. Forty years ago I asked Liebig, walking somewhere in the country, if he believed that the grass and flowers which we saw around us grew by mere chemical forces. He answered, "No, no more than I could believe that a book of botany describing them could grow by mere chemical forces." Every action of human free will is a miracle to physical and chemical and mathematical science.'

Wm. Harlow Davis, M.D., of California,

U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).—SPECIAL NOTICE.—On May 24th, at 7 p.m., Dr. Davis will publicly demonstrate his clairvoyant gifts by platform tests in the Athenæum Hall, Shepherd's Bush, the proceeds to be for the benefit of the Shepherd's Bush Spiritualist Association. A silver collection will be taken. Sceptics especially invited.

Brighton.—Curative Magnetism. Magnetic Healer, Hypnotist, attends and receives patients by appointment for Brain, Heart, Nervousness, Insomnia, Deafness, Nervous Blindness, Weak Sight, Bad Habits, Worry, &c. Can show wonderful testimonials of cures after being pronounced hopeless by doctors.—Professor Hayslip, 38, Buckingham-place, Brighton.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer,

has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. "He is his own battery," wrote the managing director of "St. Paul's Magazine," when cured of facial paralysis, after the highest medical skill had failed to afford any relief. "He is a genius," writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to "LIGHT" for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Petham, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at 247, FIVEBELL ROAD, NUNHEAD, near station, twenty minutes from Victoria or Clay.

Wm. Harlow Davis, M.D., of California,

U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 3 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Brighton.—Curative Magnetism. Magnetic Healer, Hypnotist, attends and receives patients by appointment for Brain, Heart, Nervousness, Insomnia, Deafness, Nervous Blindness, Weak Sight, Bad Habits, Worry, &c. Can show wonderful testimonials of cures after being pronounced hopeless by doctors.—Professor Hayslip, 88, Buckingham-place, Brighton.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNDBURST ROAD, PECKHAM, S.E.

Ham, the vice-president, occupied the chair, and in the course of the evening presented the retiring president with a handsome illuminated address as a token of the regret that was felt at his retirement.

DUNDEE SOCIETY OF SPIRITUALISTS.—During May we have had a series of most successful meetings—the services rendered by Mr. Will Phillips on the 10th; the Rev. J. Page Hopps on the 17th; Mrs. Jessie Crompton on the 24th, 25th and 26th; and by our president, Mr. Jas. S. Stevenson, on the 31st, being highly appreciated by large audiences. Where all were so admirable it would be invidious to mention anyone specially, but this we can say truly, that Mr. Phillips more than fulfilled the expectation anticipated from his previous visit to us, and the deep impression made by Mrs. Crompton and Mr. Page Hopps on their first visit was such that they can rest assured of a warm welcome back to Dundee. We would also add that the guide of our president, who is ever ready to give us his able and most valuable services in the cause, is always warmly welcomed amongst us. Mrs. Crompton and two of our own members (Mrs. Inglis and Mrs. Odhner) give valuable services as clairvoyantes. Altogether with such able and talented workers, good seed has been sown which, we are sure, will bear good fruit.—JAS. MURRAY, Sec.

Wm. Harlow Davis, M.D., of California,

U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without dragging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Brighton.—Curative Magnetism. Magnetic Healer, Hypnotist, attends and receives patients by appointment for Brain, Heart, Nervousness, Insomnia, Deafness, Nervous Blindness, Weak Sight, Bad Habits, Worry, &c. Can show wonderful testimonials of cures after being pronounced hopeless by doctors.—Professor Hayalip 38, Buckingham-place, Brighton.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer, has returned to London, the sphere of his former marvellous cures. With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors, are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were declared incapacitated for three weeks by the official doctor, and an eminent bone-setter. Both were cured in two days in the presence of other members of the famous team.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment. Mr. B. B. Hill, of Philadelphia, can tell of the strange events which led him to seek the assistance of Professor Edwards to aid his wife, with most gratifying results, after two physicians had failed to relieve her. And Bessie Pethurst, after being forty-eight hours unconscious from a bad fall, on whom two doctors could make no impression, was restored to full consciousness in ten minutes.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNDBURST ROAD, PECKHAM, S.E.

Can Telepathy Explain?

RESULTS OF PSYCHICAL RESEARCH.

BY

Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clair-audience; Raps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in Regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can Explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. A Partial List of Books, &c.

SPIRITUALISM IN SCOTLAND.

The Glasgow Association of Spiritualists recently held a very successful 'propaganda' meeting in the Springburn Lesser Public Hall. Mr. J. Sharpe presided. Addresses were given by Mr. James Robertson and Mr. G. Young, and Mr. K. M'Lennan gave a number of clairvoyant descriptions with success, to a good audience. The 'St. Rollox and Springburn Express' gave a lengthy and very fair report of the proceedings, which aroused considerable interest in the district. The able scientific address by Mr. Young, and the striking clairvoyance of Mr. M'Lennan were especially calculated to set intelligent and well-informed people thinking regarding the evidence which Spiritualism affords of life beyond bodily death.—W.

Curative Magnetism.—Lady who has great

power and experience in cure of paralysis, and all disorders of nerves, and who only undertakes one patient at a time, wishes to hear of an invalid who would appreciate the services of a cultured woman who would concentrate her will power on the special case she is called upon to cure.—Madame Rolande, Young's Stores, Chorley Wood, Herts.

Wm. Harlow Davis, M.D., of California,

U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here under the guidance of experienced spirit teachers. 'He is his own battery, wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNDHURST ROAD, PECKHAM, S.E.

Can Telepathy Explain?

RESULTS OF PSYCHICAL RESEARCH.

BY
Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clair-audience; Raps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in Regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can Explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. A Partial List of Books, &c.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingdon, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNDBURST ROAD, PECKHAM, S.E.

SHEPHERD'S BUSH.—**ATHENÆUM HALL, GODOLPHIN-ROAD.**
—On Sunday evening last, Mrs. Graddon-Kent gave splendid illustrations of her powers in clairvoyance and psychometry; out of twenty-five delineations twenty-one were fully recognised. Mrs. Kent, Mr. Kent, and Master Willie Wareham rendered songs, and Miss Lock ably presided at the piano. On Sunday next, Mr. Ronald Brailey will give clairvoyance and psychometry (see advt.).—**P. HODGINS.**

BRIXTON.—On Sunday last, at 11.15 a.m., at 8, Mayall-road, a communion service was held. In the evening, at Raleigh College Hall, a dedication service was conducted by the officers and friends. Songs were kindly rendered by Mrs. Ray and Miss Earle, and Mr. Fielder contributed violin and zither duets. On Sunday next, at 8, Mayall-road, at 11.15 a.m., usual service; speaker at 7 p.m., Mr. McDonald, subject, 'The God Force in the Universe.'—**L.**

CLAPHAM INSTITUTE, GAUDEN-ROAD.—On Thursday, the 18th inst., Mrs. Barrell gave clairvoyance. On Sunday last Mrs. Roberts gave an interesting address, and narrated her work as a Guardian and Temperance worker. A lady friend rendered a solo very sweetly, and the band assisted. Mrs. Boddington presided. On Sunday next, Mr. and Mrs. Boddington. Thursday, July 2nd, at 8 p.m. (no admission after 8.30), Miss Anna Chapin will give clairvoyance, and Miss Wightman will give illustrations of table-rapping. Silver collection.—**B.**

COLNE.—The debate between Mr. W. J. Colville and Mr. Percy Ward (Secretary of the National Secular League) was an interesting and spirited affair. No unpleasantness marred the occasion, and after listening attentively to all that both speakers had to say on the evenings of June 18th and 19th, the large audiences had much to think about. Mr. Ward is a fluent speaker and evidently a wide reader. The local Spiritualists will doubtless benefit by the controversy as it has aroused a good deal of attention.—**C.**

CHISWICK TOWN HALL.—On Monday evening, the 15th inst., an instructive lecture by Mr. Ronald Brailey was well illustrated by demonstrations of psychometry, and a number of questions were ably dealt with; on Tuesday, the 30th inst., at 118, High-road, at 8 p.m., psychometry class; at the meeting on Sunday morning last, a reading was given from 'M.A. (Oxon.)'s 'Higher Aspects of Spiritualism'; on Monday evening, the 29th inst., at the Town Hall, Mr. J. C. Kenworthy will speak on 'Religion and Politics.' (See advertisement).—**J. B. J., Sec.**

HACKNEY.—**MANOR THEATRE.**—On Sunday last our speaker, Mr. D. J. Davis, in response to a question asked at a previous meeting, delivered a splendid address on 'The Utility of Spiritualism,' which was much appreciated by a large and attentive audience. Mrs. Webb kindly gave clairvoyant descriptions, which were all recognised, and as she is removing to Stockport, we wish to thank her for the many services she has rendered to us. We have great pleasure in recommending her to our Stockport friends as a good, earnest, and reliable medium. On Sunday next, at 7 p.m., Miss Anna Chapin (the blind medium) will give demonstrations in clairvoyance.—**H. G.**

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—'What Fate Awaits us after Death,' formed a fitting title to a brilliant address given by the controls of Mr. E. W. Wallis on Sunday evening last, prior to which Mr. Wallis made touching reference to the passing on of our respected brother and vice-president, Mr. B. F. Atkinson, and also read an appropriate sermon written by the late Rev. George H. Hepworth, entitled 'A Happy Release,' based upon the passage 'But has passed from death unto life.' Miss Edith Brinkley gave much pleasure by the rendering of a beautiful solo, 'Be thou with Me.' Mr. H. Hawkins presided.—**S. J. WATTS.**

STOKE NEWINGTON.—On Sunday last Mrs. M. H. Wallis struck an appropriate note in her address on 'Looking Forward,' which, together with the questions answered and the clairvoyance given, made up a full evening for our last meeting in Blanche Hall. Almost five years have been spent in this place and we now 'look forward' to extended opportunities in Gothic Hall, Bouverie-road, which is to be opened on Sunday next, at 7 p.m., by Dr. W. Harlow Davis and Mr. Kinsman (Madame Lizzie Neal and Mr. Charles Constable will sing). A reception will be held at 3 p.m., and tea will be provided.—**A. J. CASH, Cor. Sec., 51, Bouverie-road, Stoke Newington, N.**

BRADFORD.—On Sunday last Mr. W. J. Colville delivered three inspirational discourses on subjects of popular interest to large and highly appreciative audiences in Westgate Hall. In the evening, when the large hall was crowded, the lecturer reviewed some of the positions taken by Haeckel in his 'Riddle of the Universe,' and showed how entirely a materialistic view of life must fail to account for a large proportion of human experience, since every fact revealed by genuine biology points to a psychic origin for all animate existence. The poetic improvisations which followed called forth enthusiastic applause. On Monday, the 22nd, Mr. Colville addressed a large audience on 'Telepathy and Kindred Phenomena.'—**C.**

FINSBURY PARK.—19, STROUD GREEN-ROAD (FIRST FLOOR).

—On Sunday evening last Mr. Blackwell read a very characteristic message from John Wesley, which was recorded at a séance in Canada recently. Mrs. Jones, under influence, gave a beautiful address on 'Progression,' and Messrs. Jones, Emms, Brooks, Hewitt, and others also took part. Meeting on Sunday next at 7 o'clock.—**T. B.**

THE UNION OF LONDON SPIRITUALISTS will visit Battersea on Sunday, July 5th, when an open-air meeting will be held in Battersea Park at 3 p.m.; speakers, Messrs. J. Adams, A. Clairiaux, H. Brooks, J. Clairiaux, and Mr. and Mrs. Roberts; at 7 p.m., in Henley Hall, Henley-street, Battersea Park-road, addresses will be delivered by Messrs. J. Adams, H. Brooks, Mr. and Mrs. Roberts, and A. Clairiaux. Our Annual Camp Meeting will be held at High Beech on Sunday, July 19th.—**HENRY BROOKS, Secretary.**

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Special Notice.—On Sunday, June 28th, at 7 p.m., at Gothic Hall, 2, Bouverie-road, Stoke Newington, Dr. Davis will give platform demonstrations of his marvellous clairvoyant faculty, under the auspices of the Stoke Newington Spiritual Association. Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNDRUST ROAD, PECKHAM, S.E.

HOW TO ACQUIRE AND STRENGTHEN WILL-POWER.

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotinism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams., bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unflinching success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

Wm. Harlow Davis, M.D., of California,

U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNDBURST ROAD, PECKHAM, S.E.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration. Dr. Whit-Gould, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at Essex Villa, 16, Lyndhurst Road, Peckham, S.E.

Special article on use of the Planchette from the standpoint of magic. Those who have had no success so far with this instrument should be able to use it now. Specimen 4d., free.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W.—t G.—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

SHEPHERD'S BUSH.—**ATHENÆUM HALL, GODOLPHIN-ROAD.**—On Sunday last, Mrs. Dowdall, of South Africa, gave illustrations of clairvoyance to a good audience. Sunday next, Mrs. J. Stannard will lecture. (See advertisement.)—P. H.

PORTSMOUTH.—**LESSER VICTORIA HALL.**—On Sunday morning we inaugurated a developing circle in lieu of the usual morning service. Several of our members were controlled and we received very encouraging promises of assistance from 'the other side.' At the evening public service our good brother, Mr. E. W. Oaten, gave us one of his usual earnest, practical addresses on 'Salvation—from What?'—E. K. O., Cor. Sec.

CHISWICK TOWN HALL.—On Monday, the 13th inst., Mr. George Spriggs gave his experiences, which were both interesting and convincing. On Sunday last we had an excellent discussion at 118, High-road, which was well-attended. On Thursday evening the psychometry class was held with good results. Next Monday, at the Town Hall, Mrs. Dowdall, the gifted South African medium. (See advertisement.)—J. B. I.

STOKE NEWINGTON.—**GOTHIC HALL, 2, BOUVERIE-ROAD, CHURCH-ROAD.**—The fifth anniversary was celebrated last Sunday. At the afternoon meeting interesting addresses were given by Messrs. Thos. Everitt, Geo. Spriggs, W. F. Lawrence, Hewitt, and Jones. The Lyceum children sang, and also executed a pretty floral march, accompanied by music. Tea followed, served by some of our practical workers in pleasant and agreeable surroundings. Mr. Thos. Everitt, who remained to the evening meeting, gave a vigorous and interesting address on 'The Real Man and the Apparent Man.' We are much indebted to our good friend for stepping into the place of Miss MacCreadie—unhappily absent through ill-health. Mr. Belstead and Mr. Kinsman shared the duties of chairman during the day, and everything went off admirably. We thank all who so kindly assisted throughout the day. On Sunday next, Mr. R. W. Brailey.—A. J. C., 33, Dongola-road, West Green, N.

THE APOCALYPTIC BROTHERHOOD.

There was a large attendance at the conversazione given by O. Hashnu Hara, president of the Apocalyptic Brotherhood, at the headquarters of the Order in Tothill-street, on Wednesday, the 15th inst. The president was supported by the vice-president, Sheik Habeeb Ahmad; the secretary, Mr. J. de la Perrelle; Mr. Geo. Sutcliffe, general manager; the Count Glasa Santa Clara, Mr. Soharwarda, Mr. Wm. Heald, and many others. Mr. de la Perrelle introduced Mr. Heald to the meeting, and a short opening address from that gentleman upon the objects and aims of the Brotherhood was followed by a few words from the president. Many interesting experiments then followed, including hypnotism by Mr. John Fricker, clairvoyance by Claribel, and chromoscopy by Mr. William Heald. Refreshments were served in the reading-room of the Brotherhood. Amongst those present were Mr. F. H. Randall, Dr. Berks T. Hutchinson, Major Thatcher, Mrs. Stewart Walker, Judge Ringrove (of New York), Mr. Sheldon, Mr. Stanley, Mr. Hodge, and many other well-known people interested in the movement. The Apocalyptic Brotherhood has been formed principally to meet the growing demand for light and knowledge on matters pertaining to soul-culture, and is not based on any religious tenets whatever, simply seeking universal freedom of thought.

Wm. Harlow Davis, M.D., of California,

U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W.—t G.—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Brown, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 5s. 6d. for patients treated at EMERY VILLA, 14, LYTCHBURGH ROAD, PECKHAM, S.E.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. During August no patients will be treated on Sunday mornings. ESSEX VILLA, 16, LYNDHURST ROAD, PECKHAM, S.E.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration. Dr. W.—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. During August no patients will be treated on Sunday mornings. ESSEX VILLA, 16, LYNDRUST ROAD, PECKHAM, S.E.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—A good attendance on Sunday evening last showed the interest which is aroused when any demonstration of psychic gifts is anticipated; and Miss MacCreadie, yielding to the influence of 'Sunshine,' gave some very successful clairvoyance, fifteen descriptions being fully recognised. Mr. W. T. Cooper ably presided over the meeting. On Sunday next, at 7 p.m., Mr. E. W. Wallis will reply to questions written by the audience.

STOKE NEWINGTON.—GOTHIC HALL, 2, BOUVERIE-ROAD, CHURCH-ROAD.—On Sunday, the 2nd inst., Mr. A. V. Peters followed an address on 'Prayer' with a series of excellent clairvoyant descriptions. On Sunday last Mr. D. J. Davis gave one of his whole-souled discourses on 'Phenomena,' in continuation of his recent address. Mrs. Stainsby kindly sang 'In Verdure Clad,' in a beautiful and expressive manner. We trust our friend will accord us the privilege of hearing her again. Arrangements are now completed for Mr. Bibbings' visit to London in September. (See an early advertisement.) On Sunday next, Mrs. M. H. Wallis will answer written questions and give clairvoyance.—A. J. C.

LEICESTER.—QUEEN-STREET.—On Sunday evening last Mr. G. H. Bibbings addressed a good audience on the 'Dangerous Habit of Thinking.' Our lady friends are arranging to hold a bazaar this autumn, in aid of the general funds. Contributions will be thankfully received by Mrs. Place-Veary, 2, Diseworth-street, or Mr. J. Snow, secretary, 48, Evington-road, Leicester. Our Lyceum, which was founded nearly six years ago, mainly through the efforts of the late Mr. C. Place, has steadily progressed, and we now have an average attendance of over one hundred scholars. On Sunday, August 2nd, Mr. W. Wright, the conductor, paid a tribute to the interest taken in the children by Messrs. Venables, Walsall; the late J. Swindlehurst, J. J. Morse, H. Clarke, Leicester; A. Smedley, Belper; Mrs. Greenwood, Mrs. S. Clarke, Nottingham; and Mr. G. H. Bibbings, all of whom have rendered valuable services from time to time.—S.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration. Dr. W.—t G.—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General B.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. During August no patients will be treated on Sunday mornings. EMBY VILLA, 16, LYNDEBURST ROAD, PECKHAM, S.E.

HOW TO ACQUIRE AND STRENGTHEN WILL-POWER.

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery, wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. During August no patients will be treated on Sunday mornings. ESSEX VILLA, 16, LYNDHURST ROAD, PECKHAM, S.E.

HOW TO ACQUIRE AND STRENGTHEN WILL-POWER.

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams. bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

SPIRIT IDENTITY.

By M.A., OXON.

A Reprint of Mr. Stainton Moses's valuable work, the first edition of which has for a long time been out of print and very scarce. The author of the book was the original promoter and the first President of the London Spiritualist Alliance, and the Council of the Alliance issues this reprint as an affectionate tribute to his memory.

Contains strong evidence that some of the Spirits who communicate through mediumship are the departed individuals they say they are.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery, wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W.—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. During August no patients will be treated on Sunday mornings. ESSEX VILLA, 16, LYNDBURST ROAD, PECKHAM, S.E.

SPIRIT IDENTITY.

By M.A., OXON.

A Reprint of Mr. Stainton Moses's valuable work, the first edition of which has for a long time been out of print and very scarce. The author of the book was the original promoter and the first President of the London Spiritualist Alliance, and the Council of the Alliance issues this reprint as an affectionate tribute to his memory.

Contains strong evidence that some of the Spirits who communicate through mediumship are the departed individuals they say they are.

SYLLABUS OF CONTENTS.

INTRODUCTION.

Difficulties in the way of the investigation.
Divergent results of investigators.
Attitude of public opinion represses publication.
This results also from the nature of the facts themselves.
The Intelligent Operator has to be reckoned with.
The investigator has little choice in the matter.
The higher phenomena are not susceptible of demonstration by the scientific method.
The gates being ajar, a motley crowd enters in.
We supply the material out of which this is composed.
No necessity to have recourse to the diabolic element.
Neglect of conditions proper for the investigation.
Agencies other than those of the departed.
Sub-human spirits—the liberated spirit of the psychic.
These have had far more attributed to them than they can rightly claim.
Specialism in Spiritualism.
Religious aspects of the question.
Notes of the age.
The place of Spiritualism in modern thought.

THE INTELLIGENT OPERATOR AT THE OTHER END OF THE LINE.

Scope of the inquiry.
The nature of the Intelligence.
What is the Intelligence?
Difficulties in the way of accepting the story told by the Intelligence.
Assumption of great names.
Absence of precise statement.
Contradictory and absurd messages.
Conditions under which good evidence is obtained.

Value of corroborative testimony.

Personal experiences—

Eleven cases occurring consecutively, January 1 to 11, 1874.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery, wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. During August no patients will be treated on Sunday mornings. ESSEX VILLA, 16, LYNDHURST ROAD, PECKHAM, S.E.

SPIRIT IDENTITY.

By M.A., OXON.

A Reprint of Mr. Stainton Moses's valuable work, the first edition of which has for a long time been out of print and very scarce. The author of the book was the original promoter and the first President of the London Spiritualist Alliance, and the Council of the Alliance issues this reprint as an affectionate tribute to his memory.

Contains strong evidence that some of the Spirits who communicate through mediumship are the departed individuals they say they are.

OFFICE OF LONDON SPIRITUALIST ALLIANCE, LTD., 110, ST. MARTIN'S LANE, W.C.

BRIGHTON SPIRITUALISTS' CENTRE, BEHIND 32, QUEEN'S-ROAD.—On Sunday last a trance address by our local medium, Mrs. Curry, was followed by successful clairvoyance through Mrs. Fairclough Smith. On Sunday next Professor Stocker on 'Our Spiritual Faculties.'—C.

CLAPHAM INSTITUTE, GAUDEN-ROAD.—On Sunday last Mr. J. Kinsman gave a good address on 'Spiritualism as regards Everyday Life.' A violin solo by Mr. Dean gave great pleasure. Mr. Gerrans presided. No public circle next Thursday, but Thursday week Mrs. Fairclough Smith will give psychometry. Speaker on Sunday next Mr. Robert King.—E. H.

FULHAM. COLVEY HALL, 25, FEENHURST-ROAD.—On August 26th, Mrs. Crompton, of Bolton, gave convincing clairvoyance and psychometry. On August 30th, Mrs. Dowdall gave many clairvoyant descriptions, which, with but one or two exceptions, were all recognised. On September 2nd, Mr. E. S. G. Mayo's masterly trance address on 'The Living Dead,' was much appreciated. Speaker on Sunday next, at 7 p.m., Mr. George Tayler Gwinn. On September 16th, at 8 p.m., Mrs. Roberts will give her experiences as a lady Guardian of the Poor.—W. T.

PECKHAM. CHEPSTOW HALL, 139, PECKHAM-ROAD.—We are indebted to the Union of London Spiritualists for an extra large meeting on Sunday evening last, and the morning circle was well attended. Mr. Gwinn was energetically received and his discourse was so much appreciated that he will soon be with us again. On Sunday next, at 11.30 a.m., public circle; at 7 p.m., speaker, Mrs. H. Checketts; at 8 p.m., spirit communion. We now have many books to lend to members and all are welcome, Mr. S. Clarkson, of 83, Gordon-road, being the custodian.—VERAX.

MERTHYR TYDFIL DISTRICT SPIRITUALISTS' SOCIETY.—At the opening services of the New Progressive Spiritualist Society, on Sunday, August 30th, at the Temperance Hall, Mr. A. V. Peters gave two telling addresses, followed by good clairvoyant descriptions, nearly all of which were recognised. On the Monday evening, at the Trevethick Hall, Mr. Peters gave psychometry and clairvoyance with unqualified success, several striking proofs of spirit identity being given to strangers. Miss MacCreddie is expected on the 20th inst., and Mr. and Mrs. Everitt before they return to London.—J. T. D.

LEICESTER. QUEEN-STREET.—On Sunday, August 30th, in the afternoon, Mr. Bibbings addressed a crowded audience on the Rev. Dr. Horton's reply to one of 'Nunquam's' questions in the 'Clarion,' in which Dr. Horton gave as his proof of immortality Mr. F. Myers' investigations and conclusions. In the evening questions from the large audience were satisfactorily dealt with. Our Tuesday and Thursday week-night meetings were well attended. On Sunday last Mr. Bibbings spoke on 'What is being a Christian?' and 'My Answer to Robert Blatchford's Fourteen Questions,' in a masterly manner to large and attentive audiences.—J. S.

DUNDEE.—On Saturday, August 29th, our president, Mr. J. M. Stevenson, conducted the funeral services of the late D. S. Murrie, and the choir led the singing. Many people listened to the comforting assurances derived from a knowledge of spirit return. Our friend was a zealous Spiritualist, one of the founders of our society, and was beloved by all. On Sunday, August 30th, Mr. Stevenson, in his address on 'The Dead: What of Them?' referred to our arisen friend, and expressed his sympathy with his relatives. Mrs. Inglis gave clairvoyance successfully and saw Mr. Murrie standing beside the platform, as also did two other members.—J. M.

CHISWICK TOWN HALL.—On Monday evening last Mr. E. S. G. Mayo gave one of his characteristic addresses on 'The Case for Spiritualism,' and replied to a number of questions. On Monday next Mr. D. J. Davis will give the address. (See advertisement.) Since February, we have interested many people who, being inquirers, study appreciatively what literature we are able to place before them, but we desire adequately to supply their needs; and I feel sure there are many Spiritualists who would willingly assist us to this end. Any book or books sent will be gratefully acknowledged and should be addressed to the Secretary, 118, High-road, Chiswick, or to myself.—P. SMYTH, 66, Thornton-avenue, Chiswick.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—On Sunday last Mr. Ronald Brailey was warmly welcomed to our platform by a large audience, and the majority of the spirit people whom he described were readily recognised; the vivid word-pictures which he gave of their surroundings when on this plane were of great assistance to the recipients, and facilitated the identifications. Miss Edith Brinkley gave much pleasure by her rendering of a solo. Mr. George Spriggs ably officiated as chairman. On Sunday next Miss MacCreddie will give clairvoyance (doors open at 6.30 p.m.). It is hoped that friends will come early, as many were unable to gain admission last Sunday.—S. J. WATTS, 26, Osaburgh-street, W.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery, wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNDBURST ROAD, PECKHAM, S.E.

SPIRIT IDENTITY.

By M.A., OXON.

A Reprint of Mr. Stainton Moses's valuable work, the first edition of which has for a long time been out of print and very scarce. The author of the book was the original promoter and the first President of the London Spiritualist Alliance, and the Council of the Alliance issues this reprint as an affectionate tribute to his memory.

Contains strong evidence that some of the Spirits who communicate through mediumship are the departed individuals they say they are.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without dragging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Special Announcement.

DR. DAVIS, by special request, will give a public demonstration of his unique gift of clairvoyance, on Sunday, October 4th, at 7 p.m., at the Athenæum, Goldhawk-road, Shepherd's Bush, under the auspices of the Shepherd's Bush Progressive Spiritualist Society. See other announcements. Sceptics and the general public are cordially invited.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery, wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA 16, LYNDRUST ROAD, PECKHAM, S.E.

Select Séances for ladies only on Wednesdays, at 3 p.m.; fee 2s. Developing Circles every Wednesday, at 8 p.m. Public Circles on Tuesdays and Thursdays, at 8 p.m. Sunday meetings: 11 a.m., Address and Clairvoyance; 7 p.m., Service, followed by Clairvoyance.—Gloucester Mansion, 59, Marylebone-road, W. (one door from Gloucester-place).

PLYMOUTH.—13, MORLEY-STREET.—The circle on the 16th inst. was well attended. On Sunday last Mr. Phillips gave an inspiring address on 'The Power to Cast out Devils.' Mrs. Trueman gave several clairvoyant tests.—P.

TOTTENHAM.—193, HIGH-ROAD.—The outing to High Beech on the 19th inst. was much enjoyed. On Sunday last Mr. A. Claireaux gave an interesting and helpful discourse on the 'Utility of Spiritualism.' Mr. Brown gave an instructive reading. Speaker on Sunday next, Mr. D. J. Davis.—P.

FULHAM.—COLVEY HALL, 25, FERNHURST-ROAD.—On Wednesday, the 16th inst., Mrs. Roberts, of Manor Park, related some of her 'Experiences as a Lady Guardian of the Poor,' and dealt with the difficulties that beset the path of a lady Guardian, also the necessity of amending the Poor Law system. On Sunday last, Mrs. Roberts, of Leicester, gave clairvoyance very successfully. On Sunday next, at 7 p.m., Miss Anna Chapin will give clairvoyance.—W. T.

GLASGOW.—ASSEMBLY ROOMS, 136, BATH-STREET.—4th inst. Sunday last Mrs. M. H. Wallis addressed large and appreciative audiences. The morning subject, 'The Advantages of Doubt,' was treated in an interesting and impressive way, and in the evening the 'Life, Duties, and Conditions of the Spirit World' were described in a comprehensive and logical manner. Clearly-defined clairvoyant descriptions were given after each address.—G. Y.

CLAPHAM INSTITUTE, GAUDEN-ROAD.—On Thursday last Mrs. H. Boddington gave psychometry. On Sunday, Mr. and Mrs. Boddington emphasised the difference between 'Spiritual Unfoldment,' and the mere development of the psychic faculties. Miss Nita Clavering and Mr. Dalton kindly rendered solos with exquisite taste, and were ably accompanied by Miss Hough. Our string band is open to receive a few more instrumentalists. For particulars of our conversazione on October 9th, see front page advertisement.—H. B.

CAMBERWELL NEW-ROAD.—SURREY MASONIC HALL.—On Sunday last the morning public circle attracted a large audience, and was blessed by many evidences of spirit presence. At the evening service Mr. W. E. Long discoursed eloquently upon 'The Baptism of the Spirit and The Baptism of Water,' showing the futility of the latter unless united with the former, which in itself is all-sufficient. On Sunday next, at 11 a.m., public circle; and at 6.30 p.m. Mr. Long will give an address upon 'Jesus in Spirit Communion.'

STOKE NEWINGTON.—GOTHIC HALL, 2, BOUYEUX-ROAD, N.—On Sunday last Mr. John Kinsman, after a reading from 'Spirit Teachings,' delivered an interesting address on 'Inspiration.' He maintained that inspiration was universal, and that the world would be all the better if it recognised the fact. Spencer, Kant, Paine, and Ingersoll were quoted as examples of inspired writers, and a few crisp extracts were given by way of justification. Mr. Belstead strongly supported the speaker's plea for brotherhood. On Sunday next, at 7 p.m., Mr. Brailey will give clairvoyance; and Miss MacCreddie is due the following week.—A. J. C., 33, Dongola-road, N.

FINSBURY PARK.—19, STROUD GREEN-ROAD (FIRST FLOOR).—On Sunday last 'Spiritual Healing the Basis of Mental and Physical Healing' was dealt with by the chairman, Mr. A. W. Jones, followed by Messrs. Barley, Baxter, T. Brooks and Hewitt, and by the inspirers of Mrs. Jones. A vision as of a harvest festival, of beautiful corn, flowers and fruit, was described by Mrs. Garlick. Both ladies gave comforting spirit messages. On Sunday next, Mr. Baxter will give a paper on 'Healing,' and it is proposed to have a healing service on the first Sunday of each month. Wednesdays, at 8 p.m., meeting for inquirers and instruction.—T. B.

DUNDEE SOCIETY OF SPIRITUALISTS.—Mrs. Ellen Green, of Manchester, was with us from September 13th to the 20th, and all the meetings (five public, two Lyceum, and one private) were largely attended, the Sunday evening ones being packed. During the seven years of our society's existence, Mrs. Green has visited us annually, and never were we more delighted and impressed with her mediumship. The splendid addresses given by her controls were of the highest order, and her clairvoyance was very clear and convincing. We feel sure that Mrs. Green's labours here will do much good, and we anticipate her visit in June, 1904, with much pleasure.—J. M.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—On Sunday evening last these rooms were again filled to overflowing, when the controls of Mr. E. W. Wallis delivered another of their spiritual and uplifting addresses, the subject being 'Spirit Teachings concerning Spirit Life.' The friends present showed their great appreciation in a marked manner. Miss Caney kindly added greatly to the harmony of the meeting by her sweet rendering of a solo entitled, 'A Land of Roses'; and Mr. W. T. Cooper ably presided. On Sunday next, at 7 p.m., Mr. A. V. Peters will give clairvoyance. Early attendance is requested in order to save disappointment; doors open at 6.30 p.m.—S. J. WATTS, 26, Osnaburgh-street.

CHISWICK TOWN HALL.—On Monday, the 14th inst., at the Town Hall, Mr. D. J. Davis gave an inspiring and helpful address. Mr. Davis came quite against his doctor's orders rather than disappoint us, which speaks volumes for his zeal. The District Council having refused us the use of the hall for Sundays, being unable to class the services under their standard as religious, we are preparing to educate these backward and unenlightened councillors. On Monday next, Mr. A. V. Peters will give clairvoyance. (See advertisement.)—J. B. J.

Vaccination and Spiritualism.—All Spiritualists who desire to do some good for the public, in gratitude for Divine revelation, required to form a *Mighty Anti-Vaccination League*, to oppose every Member of Parliament who refuses to investigate the subject and work for the repeal of the Vaccination Laws. It is computed by statisticians of the Royal Commission that not less than 600 children are killed every year by vaccination, and the cause of death hidden under false certificates. (See evidence laid before Royal Commission. See also 'Vaccination,' 'Encyclopædia Britannica'.) The Vaccination League, by gross misstatements, are putting every pressure on the Government and the people to bring in an Act for the compulsory revaccination of children and adults (see the 'Times,' September 15th), by which doctors will become wealthy and add to the burden of taxation and human suffering. The misrepresentations of medical men in favour of vaccination, so utterly exposed before the Royal Commission, make it necessary to ignore them and their statistics. They refuse to come on the platform to justify themselves. Every belief in vaccination is based on medical falsehood or ignorance. During the late Boer War official returns give 11,000 odd died from enteric fever, during the period people were dying in London of small-pox. There is no practical difference between the two diseases. Both are the result of foul air and water, and are undoubtedly *severe malaria*. Fever and eruptions of the body are the symptoms of both, and to call one 'enteric' at the seat of war and the other small-pox in London is simply to hide the fact that the revaccinated British Army has no protection from small-pox, while in London the golden harvest from revaccination was too good to lose. No doubt can exist that the small-pox epidemic of London was brought by returning small-pox patients from Africa, while the thousands of deaths prove the incompetence of doctors. Spiritualists, awake! Join at once. Let your platform be the starting-point to rescue the children from torture. Lecturers must be found and halls hired in every town in Great Britain. We are joining our brothers in arms across the Atlantic to oppose the most powerful hierarchy of modern times. Many thousands of pounds are needed, to counteract this crime against God, humanity, and reason. I am ready to debate, either in the Press or on the platform, with any upholder of vaccination. Literature must be circulated and councils formed. Those willing to help all over Great Britain send at once, 'The Small-pox Epidemic and its Treatment. A Plea for Common Sense,' by W. H. Edwards, post free, 2½d. Cheques and P.O. to be made payable to W. H. Edwards, Professor of Animal Magnetism, Essex Villa, 16, Lyndhurst-road, Peckham.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Special Announcement.

DR. DAVIS, by special request, will give a public demonstration of his unique gift of clairvoyance, on Sunday, October 4th, at 7 p.m., at the Athenaeum, Goldhawk-road, Shepherd's Bush, under the auspices of the Shepherd's Bush Progressive Spiritualist Society. See other announcements. Sceptics and the general public are cordially invited.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W.—t G.—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA 16, LYNDRHURST ROAD, PECKHAM, S.E.

Spiritualists and others would benefit by a visit to this delightful watering-place.

PLYMOUTH.—13, MORLEY-STREET.—On Sunday last Captain Greenaway gave a stirring and instructive address on 'Spiritualism, the Basis of all Religions,' and Mrs. Trueman gave clairvoyance.—T. A. P.

PLYMOUTH.—MORLEY HALL, MORLEY-STREET.—On September 23rd Mrs. Evans gave clairvoyance and Mrs. Ford delivered a spirited discourse. On Sunday last Mr. J. Evans officiated at the graveside of our dearly-esteemed brother, E. Thompson, whose beloved widow, though mourning his physical absence, fully realises that the change is but a step in the progress of life.—J. E.

SHEPHERD'S BUSH PROGRESSIVE SPIRITUALIST SOCIETY will commence meetings at the Athenæum, Godolphin-road, Goldhawk-road, on Sunday next, October 4th, at 7 p.m., when Dr. Wm. Harlow Davis will demonstrate his remarkable clairvoyant powers. Splendid musical programme arranged by Mrs. Effie Batho. Come early to secure seats. (See advertisement.)—LUX.

SHEPHERD'S BUSH.—73, BECKLOW-ROAD, ASKEW-ROAD.—On Sunday last Mr. Adams and Mr. Thomas gave interesting addresses, and Mrs. Mason's illustrations in clairvoyance were well recognised. On Sunday next Mr. E. Burton will speak upon 'Religious and Philosophic Impressions from a Knowledge of People in the Unseen,' and Mrs. Mason will give clairvoyance. Developing circle on Thursday, at 8 p.m.—B.

MERTHYR TYDFIL.—TEMPERANCE HALL.—On Sunday, September 20th, Miss MacCreadie, of London, gave a number of clairvoyant descriptions, nearly all of which were recognised and which included several important tests. On Monday, September 21st, at Trevethick Hall, she again gave clairvoyance with much success. There were large and appreciative audiences.—D.

STRATFORD.—WORKMAN'S HALL, WEST HAM-LANE, E.—On Sunday last we had an eloquent address by Mr. R. King on 'Evolution,' Mr. G. Tayler Gwinn presiding, and questions were ably answered by the lecturer. At the close, the chairman, on behalf of the members of the Stratford Centre, presented an illuminated testimonial, framed in oak, to Mr. and Mrs. Hayday (who have removed to Ilford) as a token of respect and appreciation. Mr. Hayday, who was greatly surprised, responded with a few well-chosen remarks. Speaker on Sunday next, Mr. Thompson.—W. H. S., Hon. Sec.

PORTSMOUTH.—LESSER VICTORIA HALL.—On Sunday evening last Mr. George Cole delivered an earnest and instructive address on 'Wealth in the Spirit World.' Our three days' bazaar, in aid of a building fund, will begin on Wednesday, October 7th, in the Lesser Victoria Hall. Mr. Von Bourg, the famous clairvoyant, will be with us. The ladies' committee have worked hard to make the bazaar attractive and successful. We should be glad of the presence and support of friends from London.—E. R. O., Cor. Sec.

CAMBERWELL NEW-ROAD.—SURREY MASONIC HALL.—In the unavoidable absence of our leader on Sunday morning last, owing to a sudden bereavement, the circle was successfully conducted by members of the church. At the evening service inspiring and comforting addresses were given by Mr. W. E. Long and Mrs. John Checketts. On Sunday evening next an 'In Memoriam' service will be held to commemorate the 'passing' of our late beloved and respected member, Mr. B. Waite, on Sunday morning last, after an apoplectic seizure the previous evening. He was an earnest Spiritualist and one of the founders of public Spiritualism in 1887. The mortal remains will be interred at Forest Hill Cemetery on Saturday, October 3rd, at 4 p.m.—J. C.

CHISWICK TOWN HALL.—On Monday, September 21st, Mrs. Dowdall gave excellent clairvoyance. The attention of those interested in Spiritualism, and living in the neighbourhood, is invited to the Lyceum recently started. Adults and children will be welcomed at 2.45 p.m. Next Monday, at Town Hall, Madame St. Clair. (See advertisement.) Owing to a misunderstanding, the statement in last week's report that our application for the Town Hall for Sunday meetings was refused was incorrect. We are fighting the question on public grounds, as the Town Hall has never yet been open on Sundays, and we have reason to suppose we shall yet be successful, but the officials demand payment in advance for the whole of our winter session services.—COR.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Special Announcement.

DR. DAVIS, by special request, will give a public demonstration of his unique gift of clairvoyance, on Sunday, October 4th, at 7 p.m., at the Athenæum, Goldhawk-road, Shepherd's Bush, under the auspices of the Shepherd's Bush Progressive Spiritualist Society. See other announcements. Sceptics and the general public are cordially invited.

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery, wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W.—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at Essex Villa, 16, LINDHURST ROAD, PECKHAM, S.E.

CHISWICK TOWN HALL.—On Monday evening, September 28th, Mr. A. V. Peters gave an address and clairvoyant descriptions to a crowded audience. Checketts will give the address.

SHEPHERD'S BUSH PROGRESSIVE SPIRITUALIST SOCIETY.—THE ATHENÆUM, GODOLPHIN-ROAD.—Every portion of the large hall was filled to overflowing on Sunday last. Mr. Robert King (president) took the chair, and Dr. Wm. Harlow Davis added to his previous fame by the remarkably detailed accuracy with which he gave innumerable clairvoyant tests to the audience. The songs, and violin, viola, and piano music, in which Mrs. Effie Bathe was assisted by Miss G. Skinner, Mr. Jewson, and Mr. Morris, evidently gave extreme pleasure. On Sunday next, at 7 p.m., address by Mrs. Stannard, 'The Science of Psychometry.' Vocal and instrumental music.—LUX.

CAMBERWELL NEW-ROAD.—SURREY MASONIC HALL.—The morning public circle on Sunday last was well attended, and the evening 'In Memoriam' service on behalf of our arisen brother, Mr. B. On Sunday next, at 11 a.m., public circle, and at 6.30 p.m. Mr. W. E. Long will give an address upon 'The Transfiguration.'—J. C.

Although her platform experience has been limited, the control, 'White Dove,' described many spirit friends, fourteen of whom were recognised; helpful messages were also given. Drake, the 'veteran,' delivered addresses. The society is greatly indebted to Mr. Drake for his splendid voluntary decorative work, which has converted a somewhat dingy hall into one of the prettiest Spiritualistic meeting places in London. Mr. A. V. Peters kindly gave a short practical address and a few clairvoyant descriptions, which were all recognised. The music was contributed by Misses Chapin and Whiteman, and Masters Medina and Wareham. Mr. Medina gave a recitation. A profitable and enjoyable time was spent.—W. T.

STOKE NEWINGTON.—GOTHIC HALL, 2, BOUVERIE-ROAD, N.—On Sunday last, Miss MacCreddie was welcomed by a very large audience, and all were impressed and interested by her address and clairvoyance. Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery, wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration. Dr. W.—t G.—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth. Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNDBURST ROAD, PECKHAM, S.E.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief machines failed to give. This Professor Edwards is well able to save patients from the dreaded surgeon's knife is his spirit mission under the guidance of experienced spirit teachers. 'He is his own wrote the managing director of 'St. Paul's Magazine' cured of facial paralysis, after the highest medical skill had afforded any relief. 'He is a genius,' writes Dr. W.—t (who despair to a celebrated scientist asking if there was any hope total paralysis in both legs), when cured, after ten months' practice.

Dr. W.—t G.—d, with many patients waiting to consult him in bed with sciatica, sent to 'LIGHT' for aid, and Professor quickly restored him to his duties. William Lockwood and two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colitis; General C.—from a mistaken operation for apoplexy of General S.—paralysed neck; Mrs. W.—paralysed diarrhoea contracted in India, all considered hopeless cases resource placed in the hands of Professor Edwards, and perfect health, to the profound astonishment of their attendants. Harold Broom, discharged from the Ophthalmic Hospital, incurably blind, was examined by the International Hypnotic Doctors, after Professor Edwards had restored Kingston, of Peckham, for ten days totally blind, surgical operation eighteen hours before the time Professor restoring sight at the first treatment.

These are the credentials with which Professor suffers, both physically and spiritually, to be aided, but all cannot be cured; and the Professor

CAMBERWELL NEW-ROAD.—SURREY MASONIC HALL.—On Sunday morning last, the public circle was largely attended. The 'Spirit Teachings' given in the evening, through Mr. W. E. Long, were valuable lessons upon the responsibilities of life, and of guidance for the awakened soul. These addresses are attracting large audiences. On Sunday next, at 11 a.m., public circle, and at 6.30 p.m., Mr. W. E. Long on 'God, the Author of Good and Evil; Man, the Author of Sin.'—J. C.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—On Sunday evening last 'Let not your heart be troubled' was the subject of the address delivered by Mr. E. W. Wallis, which was treated with great ability, and was highly appreciated by a large audience. Mr. Wallis gave a short reading from the 'Herald Sermons' of the Rev. George H. Hepworth, which formed a fitting prelude to the grand address that followed. On Sunday next, at 7 p.m., Mr. A. V. Peters will give clairvoyance. Doors open 6.30 p.m.—S. J. W., 26, Osnauburgh-street.

SHEPHERD'S BUSH.—73, BECKLOW-ROAD, ASKEW-ROAD.—On Sunday, October 18th, Miss E. Bixby gave illustrations in clairvoyance and psychometry, which were in many cases very successful indeed. B.

SHEPHERD'S BUSH.—THE ATHENÆUM, GODOLPHIN-ROAD.—On Sunday last Mr. Ronald Brailey (whose psychic powers are as remarkable in public as in private work) gave the large audience striking tests in psychometry with unvarying success. Miss Edith Harvey played two pianoforte solos with artistic taste. On Sunday next, at 7 p.m., Mr. Frederic Thurstan will speak on 'The Compass Points of Consciousness.' Mr. Ronald Brailey has generously promised to give psychometry in aid of the society; and Mrs. Brailey will vocally assist Mrs. Effie Bathe.—LUX.

STOKE NEWINGTON.—GOTHIC HALL, 2, BOUVERIE-ROAD, N.—On Sunday last Mrs. M. H. Wallis gave capable answers to several interesting questions which had been prepared. Kinsman, and Miss Anna Chapin (the blind medium) is expected to pay us her first visit. Particulars of the Thursday evening circles can be obtained from Mr. A. J. Cash, 33, Dongola-road, West Green, N.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery,' wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNTHURST ROAD, PECKHAM, S.E.

SELF-HYPNOTISM.

Make Yourself Over.

A new and unique device called **The Hypnograph** has been invented for Self-Hypnotism.

The idea is to use hypnotism on yourself and thus intentionally re-form your mind and character and improve your health through the well known laws of auto-suggestion. It is perfectly harmless and a most beneficial, delightful, and fascinating exercise.

The Hypnograph works with any one straight away. It impresses the mind with wonderful quickness and precision. It supplies a glorious opportunity to rapidly develop your **Will-Power, Energy, Courage, Self-Confidence, Persistency, Concentration**, and all the qualities of mind which make for **Success** in life.

The Hypnograph is strictly scientific. It is to mental work what the compass is to navigation. It cannot fail to help you. Until you have used it you cannot realise what a wonderful and beneficial thing it is.

FREE At present **The Hypnograph** is not for sale, but is offered free in order to create an interest in our practical books on mental subjects. If you are sufficiently interested to want **The Hypnograph** write for free Illustrated Booklet '**The Power Within**,' enclosing 1d. Stamp for return postage.

V. Peters.—A. J. C.

CAVENDISH ROOMS, 51, MORTIMER-STREET, W.—On Sunday evening last these rooms were again crowded to overflowing and many friends were unable to gain admission. Mr. A. V. Peters gave twenty-four clairvoyant descriptions, of which twenty were fully recognised; remarkable details were given in most cases, and were supplemented by several helpful and loving messages. Mr. G. Spriggs, vice-president, ably fulfilled the duties of chairman. On Sunday next, at 7 p.m., Mrs. J. Stannard will give an address on 'Healing, and its Three Degrees or Phases.' At a subsequent general meeting of the Association, Mr. J. Sharpe, president, outlined the proposed Alliance of Scottish Spiritualist Societies, rendered necessary by the steady spread of Spiritualism throughout Scotland, and on the motion of our esteemed honorary president, Mr. Jas. Robertson, the Association unanimously supported the principle and scheme. In the evening, Mr. G. Barnett, vice-president, addressed a large audience in a racy, anecdotal style on the 'Basis and Claims of Spiritualism.' Clairvoyant descriptions were given by Mr. McLennan.—G. Y.

NEWCASTLE-ON-TYNE.—**TEMPERANCE INSTITUTE.**—On Wednesday, the 21st inst., Mr. Archbold gave good phenomena and the Saturday evening open circle was largely attended. On Sunday last Madame Stone gave a splendid address on 'Man's Progressive Hour,' and the after meeting was very successful. If numbers denote anything, our society is making good progress and friends from a distance are warmly welcomed. The president drew attention to the fact that a month ago Mr. Seddon clairvoyantly saw a man, whom he minutely described, being carried away from a pit mouth on a stretcher, having, apparently, met with a somewhat serious accident. He described the locality where the pit was situated and felt quite convinced that there was someone in the room related to the man, and advised that a warning should be sent at once, as the accident would occur in a very few days. The president went on to say that he had recognised the description of the man (a relative of his) and the colliery, and stated that the accident happened in the following week, from the falling of part of the roof where the man was working, as Mr. Seddon had described.—A. Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Wm. Hy. Edwards, Professor of Vital Magnetism, the Clairvoyant Spirit Healer.

—With his matured faculty of locating the particular groups of brain ganglia governing the afflicted organs, he is able to reach the most hidden cause, and thus work on sure grounds to a complete cure. Many failures of magnetisers, medical and hypnotic doctors are due to the absence of this extremely rare psychic gift. In chronic cases of synovitis, rheumatism, neuralgia, locomotor ataxia and paralysis, electro-static batteries are of no practical use. Patients who have tried them have afterwards been glad to place themselves in my hands for proper treatment, by Vital Magnetism, and then obtained the relief the machines failed to give. This Professor Edwards is well able to do. To save patients from the dreaded surgeon's knife is his spirit mission here, under the guidance of experienced spirit teachers. 'He is his own battery, wrote the managing director of 'St. Paul's Magazine,' when cured of facial paralysis, after the highest medical skill had failed to afford any relief. 'He is a genius,' writes Dr. W.—t (who wrote in despair to a celebrated scientist asking if there was any hope for his total paralysis in both legs), when cured, after ten months' prostration.

Dr. W—t G—d, with many patients waiting to consult him, prostrate in bed with sciatica, sent to 'LIGHT' for aid, and Professor Edwards quickly restored him to his duties. William Lockwood and Walter Lees, two famous Surrey cricketers, were cured in two days.

Major C.—prostrate with pneumonia and pleurisy; Colonel M.—with gastritis; General C.—from a mistaken operation for appendicitis; wife of General S.—paralysed neck; Mrs. W.—paralysed from tropical diarrhoea contracted in India, all considered hopeless cases, were as a last resource placed in the hands of Professor Edwards, and all restored to perfect health, to the profound astonishment of their former medical attendants. Harold Broom, discharged from the Ophthalmic Hospital as incurably blind, was examined by the International Committee of Hypnotic Doctors, after Professor Edwards had restored the sight. Mrs. Kingston, of Peckham, for ten days totally blind, was saved from a surgical operation eighteen hours before the time appointed, by the Professor restoring sight at the first treatment.

These are the credentials with which Professor Edwards invites all sufferers, both physically and spiritually, to seek his aid. All can be aided, but all cannot be cured; and the Professor will tell you the truth.

Terms for first consultation and treatment, by appointment, One Guinea. To reach all working classes, on Sunday from 10 till 2 p.m., a special reduced fee of 3s. 6d. for patients treated at ESSEX VILLA, 16, LYNDRUST ROAD, PECKHAM, S.E.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 6 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circus Tube or Portland-road Station).

Last year a letter from me appeared in 'LIGHT' offering to give away some pamphlets. The result was good. Several persons have been healed by the reading of the literature supplied, and I am sure the readers will be pleased to know it. I am prepared to give away now five hundred copies of Mr. Wood's pamphlet, 'Has Mental Science a Valid, Scientific, and Religious Basis?' on receipt of one stamp each for postage. Of this little brochure a letter to hand to-day says: 'The little pamphlet on "Mental Healing," by Henry Wood, is the best I have yet read, and several who saw it spoke highly of it. Any more in that line would be thankfully received, and earnestly read and circulated.' I also offer three hundred copies of 'A Brief View of Christian Science Healing,' by a member of the Anglican Church (price 3d.), on the same terms; as well as two hundred copies of Mr. Patterson's pamphlet (price 6d.), 'What the New Thought Stands For.' One book only will be sent to one person applying. If more than one is required, payment should accompany the request. We want to reach one thousand people amongst your readers who are at present not interested in the New Thought, and who probably need it. As these books will be picked up quickly applicants would oblige by stating if either may be sent should the stock of the one they desire be exhausted.

A Private Circle, arranging for a series of sittings in London (with one of the most eminent materialising mediums) for advanced study in psychical matters, has a vacancy for two ladies. To be held weekly for three months, starting in about ten days' time. Those who have investigated the subject, are calm, patient, and with a scientific but sympathetic spirit, may apply by letter to Omega, care of 'LIGHT,' 110, St. Martin's Lane. The charge will be 5s. per sitting, but this will be paid, if necessary, by the others. A vacancy occurs for an Amanuensis with a knowledge of shorthand, and also a good musician. All applications will be submitted to the spirit control, and his selections will be accepted by the circle.

The Boursnell Testimonial.

SIR,—The writer of the report of the presentation of a testimonial to Mr. R. Boursnell, on the 28th ult., has somewhat misinterpreted the words that I used on that occasion, as he says: 'Mr. Gambier Bolton, who has practised the art of photography in many parts of the world, during a period of thirty years, emphatically stated that, if called upon, he would declare in a Court of Justice that Mr. Boursnell's spirit photographs were genuine; and he showed a box in which he had obtained, through the same mediumship, direct spirit photographs, the plates never having left the box.' Possibly my statement was not so clear as I had intended it to be, but what I wished to convey to the audience was, that I had applied to the work produced through Mr. R. Boursnell on my behalf such tests as convinced me beyond any shadow of doubt that the results that I had obtained through him were genuine, and that I was prepared to state, in a Court of Justice if necessary, my conviction of the genuineness of these results.

With reference to the box which I exhibited, it was a light-tight, damp-proof plate box of special make, and unusual shape and size, which I used during the experiments, and the one in which I always took my own photographic plates to Mr. Boursnell (after removing them, at home, from the box in which they were originally supplied by the manufacturers); and this was done with a view to preventing any attempt at changing my plates, during the experiment, for plates already prepared, as might easily be done by substituting one packet of plates for another, if I had kept them in the boxes in which the manufacturers supplied them, all such boxes being almost exactly similar in size and shape. After each experiment the plates were immediately returned to this special box, and were taken away in it and developed by myself, every plate showing remarkable and abnormal appearances in different positions round the sitter.

SELF-HYPNOTISM.

Make Yourself Over.

A new and unique device called **The Hypnograph** has been invented for Self-Hypnotism.

The idea is to use hypnotism on yourself and thus intentionally re-form your mind and character and improve your health through the well known laws of auto-suggestion. It is perfectly harmless and a most beneficial, delightful, and fascinating exercise.

The Hypnograph works with any one straight away. It impresses the mind with wonderful quickness and precision. It supplies a glorious opportunity to rapidly develop your **Will-Power, Energy, Courage, Self-Confidence, Persistency, Concentration**, and all the qualities of mind which make for **Success** in life.

The Hypnograph is strictly scientific. It is to mental work what the compass is to navigation. It cannot fail to help you. Until you have used it you cannot realise what a wonderful and beneficial thing it is.

FREE At present **The Hypnograph** is not for sale, but is offered free in order to create an interest in our practical books on mental subjects. If you are sufficiently interested to want **The Hypnograph** write for free Illustrated Booklet '**The Power Within**,' enclosing 1d. Stamp for return postage.

Wm. Harlow Davis, M.D., of California, U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. (a short walk from Oxford-circle Tube or Portland-road Station).

HOW TO JUDGE A NATIVITY.

By ALAN LEO.

(ASTROLOGY FOR ALL SERIES)

This is a standard work. Written by a well-known author of astrological books, it is unique in style and merit, not one word being wasted, and the fruits of fourteen years of patient study being condensed into its pages.

It is not a 're-hash' of the works of other writers on the subject, but is an entirely original treatise by an astrologer whose heart is in his work and whose sole aim is to share with fellow-students the results of his own first-hand experiences, so that all who read this book may learn, as the title states, HOW TO JUDGE A NATIVITY.

The Will to be Well.

By CHARLES BRODIE PATTERSON

(Editor of 'The Arena' and 'Mind').

Price 3s. 9d. Post Free.

'Like attracts like.' Upon the recognition of this law depend health and happiness, because neither can ensue unless in our thought we give out both. The strong, wholesome thoughts we think, the kind feelings we have, the bright, joyous hopes we entertain—these are so many qualities going out from us to unite with the same qualities in other people, thus making it easier, both for them and for us, to comply with all the true requirements of life.—Page 41.

Dominion and Power:

Studies in Spiritual Science.

By CHARLES BRODIE PATTERSON.

Beautifully bound, gilt top, 217 pp., 3s. 9d. Post Free.

Let us cease the useless effort to relate ourselves to the outer world—to people we think can aid us, or to things that we feel have benefited us—and let us seek that which shall bring the real abundance of life. Everything of value is within the realm of spirit, and we can get therefrom whatever we wish; but we must seek it in the true way.—Page 16.

CONTENTS: The Secret of Power—Three Planes of Development—Tree of Knowledge—Purpose and Mistakes of Life—Finding One's Self—How to Conserve Force, Faith, Hope, and Love in Character Building—Prayer—Breath—Success—Equality of the Sexes—Marriage—Rights of Children—Temptation as a Means of Growth—Psychic Development—Living the Soul Life—Immortality—Dominion and Power.

The New Psychology;

Or, The Secret of Happiness.

Beautifully bound, 5s. 6d. post free.

There is a wonderful book called 'The New Psychology; or, the Secret of Happiness,' by 'D. O. K.' of New York. It is wonderful, because it compasses, in 100 pages, the whole field of New Thought in a comprehensive manner. If you are a beginner—if you like simple things—if you want to grasp the whole underlying idea of the New Thought movement at the very start, then get this book. It answers all the questions about the New Thought. It tells the what, the why, and the how.

This is a beautiful book in appearance as well as contents. It is bound in green cloth with black and gold decoration. The type is large and clear. The book consists of twenty-five systematic lessons. Each lesson is preceded by a brief theorem or statement in a nutshell, which is neatly explained and demonstrated in the body of the lesson. All is beautifully and thoroughly done, yet so simple that a child could understand.

'The New Psychology' was originally sold for 50s. (one guinea), but we are glad to be in the position to offer it now to the English public for 5s. 6d., post free. If you are at all interested in this subject you will rejoice at your bargain if you take advantage of this unusually favourable offer.

THE TRIUMPH OF LIFE.

BY

THOMAS LAKE HARRIS.

These Lyrics, with their Introductions, are intended to declare some methods and processes whereby God, the Divine Evolutionist, is transposing the natural bodies of each who accepts and embodies the Regenerative Life of the Saviour-Saviouress, from the separated sex-lines of this third dimensional of Nature and Death, to those of the re-united twain-one sex of the Heaven of Eternal Arch-Nature; whereby Sin is destroyed in the flesh, and Death, the wages of Sin, overcome and abolished in the body.

A Drama in Five Acts. Crown 8vo. 3s. 6d.

'The action of this striking story is chiefly of a psychological nature. The main ideas which are asserted and illustrated by the author are:

- 1.—That the Platonic theory of sex contains the germ of a great and fundamental truth.
- 2.—That marriage, generally considered, is a necessary part of earthly training.
- 3.—That those whom God hath joined together, no man can put asunder.

HOW TO JUDGE A NATIVITY.

By ALAN LEO.

(ASTROLOGY FOR ALL SERIES)

This is a standard work. Written by a well-known author of astrological books, it is unique in style and merit, not one word being wasted, and the fruits of fourteen years of patient study being condensed into its pages.

It is not a 're-hash' of the works of other writers on the subject, but is an entirely original treatise by an astrologer whose heart is in his work and whose sole aim is to share with fellow-students the results of his own first-hand experiences, so that all who read this book may learn, as the title states, HOW TO JUDGE a nativity.

Can Telepathy Explain?

RESULTS OF PSYCHICAL RESEARCH.

BY

Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clair-audience; Raps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in Regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can Explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. A Partial List of Books, &c.

The Will to be Well.

By CHARLES BRODIE PATTERSON

(Editor of 'The Arena' and 'Mind').

Price 3s. 9d. Post Free.

'Like attracts like.' Upon the recognition of this law depend health and happiness, because neither can ensue unless in our thought we give out both. The strong, wholesome thoughts we think, the kind feelings we have, the bright, joyous hopes we entertain—these are so many qualities going out from us to unite with the same qualities in other people, thus making it easier, both for them and for us, to comply with all the true requirements of life.—Page 41.

Dominion and Power:

Studies in Spiritual Science.

By CHARLES BRODIE PATTERSON.

Beautifully bound, gilt top, 217 pp., 3s. 9d. Post Free.

Let us cease the useless effort to relate ourselves to the outer world—to people we think can aid us, or to things that we feel have benefited us—and let us seek that which shall bring the real abundance of life. Everything of value is within the realm of spirit, and we can get therefrom whatever we wish; but we must seek it in the true way.—Page 16.

CONTENTS: The Secret of Power—Three Planes of Development—Tree of Knowledge—Purpose and Mistakes of Life—Finding One's Self—How to Conserve Force, Faith, Hope, and Love in Character Building—Prayer—Breath—Success—Equality of the Sexes—Marriage—Rights of Children—Temptation as a Means of Growth—Psychic Development—Living the Soul Life—Immortality—Dominion and Power.

The New Psychology;

Or, The Secret of Happiness.

Beautifully bound, 5s. 6d. post free.

There is a wonderful book called 'The New Psychology; or, The Secret of Happiness,' by 'D. C. K.,' of New York. It is wonderful, because it compasses, in 100 pages, the whole field of New Thought in a comprehensive manner. If you are a beginner—if you like simple things—if you want to grasp the whole underlying idea of the New Thought movement at the very start, then get this book. It answers all the questions about the New Thought. It tells the what, the why, and the how.

This is a beautiful book in appearance as well as contents. It is bound in green cloth with black and gold decoration. The type is large and clear. The book consists of twenty-five systematic lessons. Each lesson is preceded by a brief theorem or statement in a nutshell, which is neatly explained and demonstrated in the body of the lesson. All is beautifully and thoroughly done, yet so simple that a child could understand.

'The New Psychology' was originally sold for 5dol. (one guinea), but we are glad to be in the position to offer it now to the English public for 5s. 6d., post free. If you are at all interested in this subject you will rejoice at your bargain if you take advantage of this unusually favourable offer.

**HOW TO ACQUIRE AND STRENGTHEN
WILL-POWER.**

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

MADAME BURCHELL,

WELL-KNOWN MEDICAL CLAIRVOYANTE,

The Prophetess of the Servian Massacre,

Wishes to inform her numerous clients that, owing to her large increase of business at home and abroad, she will remain at her present address,

65, GIRLINGTON ROAD, BRADFORD.

All letters shall have her personal attention in due order received.

Wm. Harlow Davis, M.D., of California,

U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. THE LIVING WHEEL.

By T. I. UNIACKE.

A Drama in Five Acts. Crown 8vo. 3s. 6d.

The action of this striking story is chiefly of a psychological nature. The main ideas which are asserted and illustrated by the author are:

- 1.—That the Platonic theory of sex contains the germ of a great and fundamental truth.
- 2.—That marriage, generally considered, is a necessary part of earthly training.
- 3.—That those whom God hath joined together, no man CAN put asunder.

The nourishing properties of "ODIN" are evident, since it contains albumins, albumoses, and peptones. The preparation is satisfactory, offering the same nourishing properties as a good beef extract, in which the nutrient elements preponderate decidedly over the merely stimulating substances.

HOW TO JUDGE A NATIVITY.By **ALAN LEO.**

(ASTROLOGY FOR ALL SERIES)

This is a standard work. Written by a well-known author of astrological books, it is unique in style and merit, not one word being wasted, and the fruits of fourteen years of patient study being condensed into its pages.

It is not a 're-hash' of the works of other writers on the subject, but is an entirely original treatise by an astrologer whose heart is in his work and whose sole aim is to share with fellow-students the results of his own first-hand experiences, so that all who read this book may learn, as the title states, HOW TO JUDGE a nativity.

THE TRIUMPH OF LIFE.

BY

THOMAS LAKE HARRIS.

These Lyrics, with their Introductions, are intended to declare some methods and processes whereby God the Divine Evolutionist, is transposing the natural bodies of each who accepts and embodies the Regenerative Life of the Saviour-Saviouress, from the separated sex-lines of this third dimensional of Nature and Death, to those of the re-united twain-one sex of the Heaven of Eternal Arch-Nature; whereby Sin is destroyed in the flesh, and Death, the wages of Sin, overcome and abolished in the body.

HOW TO ACQUIRE AND STRENGTHEN**WILL-POWER.**

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnosis, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

MADAME BURCHELL,

WELL-KNOWN MEDICAL CLAIRVOYANTE,

Wishes to inform her numerous clients that, owing to her large increase of business at home and abroad, she will remain at her present address,

65, GIRLINGTON ROAD, BRADFORD.

All letters shall have her personal attention in due order received.

Wm. Harlow Davis, M.D., of California,

U.S.A., the eminent psychic for clairvoyant diagnosis and specialist in electro-magnetic treatment for the curing of disease without drugging, can be consulted daily from 2 p.m. to 5 p.m., except Saturdays and Sundays. Gifted with extraordinary clairvoyance from birth, he is enabled to describe with marvellous accuracy every ache, pain, or symptom, and the condition of every organ of the body, without asking a single question, or a word being spoken by the patient. His powerfully magnetic hands have been the means of restoring hundreds of so-called incurable cases to perfect health without the use of drastic drugs and nauseating medicines. In chronic cases of synovitis, sciatic rheumatism, neuralgia, locomotor ataxia and paralysis, the doctor specially recommends his wonderful electro-static machines which he has recently imported from his American Sanatorium. With these patented machines no removal of clothing is required, while thousands of vibrations of electrical energy pass through the entire body of the patient without the slightest discomfort or unpleasant sensation. There is absolutely no shock, and can be taken with pleasure by the smallest child or most timid person. Many living witnesses in London will gladly testify to most remarkable cures in even the most hopeless cases. No names or addresses used without full consent of the patients. No matter what may be your trouble, call on Dr. Davis and he will candidly tell you if a cure is possible. No matter how many others may have failed with you, do not despair until you have consulted him, and received the benefit of his valuable advice. Fee for clairvoyant diagnosis, treatment, or general advice on any subject, one guinea.—Address, Portland Lodge, 17, New Cavendish-street, Portland-place, London, W. THE TRIUMPH OF LIFE.

BY

THOMAS LAKE HARRIS.

These Lyrics, with their Introductions, are intended to declare some methods and processes whereby God, the Divine Evolutionist, is transposing the natural bodies of each who accepts and embodies the Regenerative Life of the Saviour-Saviours, from the separated sex-lines of this third dimensional of Nature and Death, to those of the re-united twain-one sex of the Heaven of Eternal Arch-Nature; whereby Sin is destroyed in the flesh, and Death, the wages of Sin, overcome and abolished in the body.

SPIRIT IDENTITY.

By M.A., OXON.

A Reprint of Mr. Stainton Moses's valuable work, the first edition of which has for a long time been out of print and very scarce. The author of the book was the original promoter and the first President of the London Spiritualist Alliance, and the Council of the Alliance issues this reprint as an affectionate tribute to his memory.

Contains strong evidence that some of the Spirits who communicate through mediumship are the departed individuals they say they are.

Can Telepathy Explain?

RESULTS OF PSYCHICAL RESEARCH.

BY

Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clair-audience; Raps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can Explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. A Partial List of Books, &c.

Cloth gilt, 243 pp. 3s. 9d. post free.

HOW TO ACQUIRE AND STRENGTHEN WILL-POWER.

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams., bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnosis, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.

THE CONDUCT OF CIRCLES.

By 'M.A. (Oxon.)'

ADVICE TO INQUIRERS.

If you wish to see whether Spiritualism is really only jugglery and imposture, try it by personal experiment. If you can get an introduction to some experienced Spiritualist on whose good faith you can rely, ask him for advice; and if he is holding private circles, seek permission to attend one to see how to conduct sances, and what to expect. There is, however, difficulty in obtaining access to private circles and, in any case, you must rely chiefly on experiences in your own family circle, or amongst your own friends, all strangers being excluded.

Form a circle of from four to eight persons, half, or at least two, of negative, passive temperament and preferably of the female sex, the rest of a more positive type. Sit, positive and negative alternately, secure against disturbance, in subdued light, round an uncovered table of convenient size. Place the palms of the hands flat upon its upper surface. The hands of each sitter need not touch those of his neighbour, though the practice is frequently adopted.

Do not concentrate attention too fixedly on the expected manifestation. Engage in cheerful but not frivolous conversation. Avoid dispute or argument. Scepticism has no deterrent effect, but a bitter spirit of opposition in a person of determined will may totally stop or decidedly impede manifestations. If conversation flags, music is a great help, if it be agreeable to all, and not of a kind to irritate the sensitive ear. Patience is essential, and it may be necessary to meet ten or twelve times at short intervals, before anything occurs. If after such a trial you still fail, form a fresh circle. An hour should be the limit of an unsuccessful sance.

If the table moves, let your pressure be so gentle on its surface that you are sure you are not aiding its motions. After some time you will probably find that the movement will continue if your hands are held over, but not in contact with, it. Do not, however, try this until the movement is assured, and be in no hurry to get messages.

When you think that the time has come, let someone take command of the circle and act as spokesman. Explain to the unseen Intelligence that an agreed code of signals is desirable, and ask that a tilt may be given as the alphabet is slowly repeated, at the several letters which form the word that the Intelligence wishes to spell. It is convenient to use a single tilt for No, three for Yes, and two to express doubt or uncertainty.

When a satisfactory communication has been established, ask if you are rightly placed, and if not, what order you should take. After this ask who the Intelligence purports to be, which of the company is the medium, and such relevant questions. If confusion occurs, ascribe it to the difficulty that exists in directing the movements at first with exactitude. Patience will remedy this. If you only satisfy yourself at first that it is possible to speak with an Intelligence separate from that of any person present, you will have gained much.

The signals may take the form of raps. If so, use the same code of signals, and ask as the raps become clear that they may be made on the table, or in a part of the room where they are demonstrably not produced by any natural means, but avoid any vexatious imposition of restriction on free communication. Let the Intelligence use its own means. It rests greatly with the sitters to make the manifestations elevating or frivolous and even tricky.

Should an attempt be made to entrance the medium, or to manifest by any violent methods, ask that the attempt may be deferred till you can secure the presence of some experienced Spiritualist. If this request is not heeded, discontinue the sitting. The process of developing a trance-medium is one that might disconcert an inexperienced inquirer.

Lastly, try the results you get by the light of Reason. Maintain a level head and a clear judgment. Do not believe everything you are told, for though the great unseen world contains many a wise and discerning spirit, it also has in it the accumulation of human folly, vanity, and error; and this lies nearer to the surface than that which is wise and good. Distrust the free use of great names. Never for a moment abandon the use of your reason. Do not enter into a very solemn investigation in a spirit of idle curiosity or frivolity. Cultivate a reverent desire for what is pure, good, and true. You will be repaid if you gain only a well-grounded conviction that there is a life after death, for which a pure and good life before death is the best and wisest preparation.

THE TRIUMPH OF LIFE.

BY

THOMAS LAKE HARRIS.

These Lyrics, with their Introductions, are intended to declare some methods and processes whereby God, the Divine Evolutionist, is transposing the natural bodies of each who accepts and embodies the Regenerative Life of the Saviour-Saviouress, from the separated sex-lines of this third dimensional of Nature and Death, to those of the re-united twain-one sex of the Heaven of Eternal Arch-Nature; whereby Sin is destroyed in the flesh, and Death, the wages of Sin, overcome and abolished in the body.

SPRIT IDENTITY.

By M.A., OXON.

A Reprint of Mr. Stainton Moses's valuable work, the first edition of which has for a long time been out of print and very scarce. The author of the book was the original promoter and the first President of the London Spiritualist Alliance, and the Council of the Alliance issues this reprint as an affectionate tribute to his memory.

Contains strong evidence that some of the Spirits who communicate through mediumship are the departed individuals they say they are.

Can Telepathy Explain?

RESULTS OF PSYCHICAL RESEARCH.

BY

Rev. Minot J. Savage, D.D.

Dr. Savage here discusses problems that have vexed intelligent minds probably to a greater extent than any others, saving those of the religious life. He states a greater number of well-authenticated instances of apparently spiritistic revelation or communication. His discussion is frank and fearless. This work merits the widest reading, for he deals with facts and experiences.

Among the contents are chapters on Clairvoyance and Clair-audience; Raps; Apparitions; Voices; Spirit Photography; Telekinesis; Levitation; Invisible Musicians; Communications; Mrs. Piper; Philanthropic Work of Spirits; Reporting Unknown Facts; Report of Private Facts and Mental Conditions at a Distance; Report of Fact not known to any person on Earth; Poets and Immortality; Present State of Thought in regard to the Immortal Life; Two-fold Reason for Investigation; The Telepathic Theory; Why should the Subliminal Self be such a Liar? What Telepathy does not seem to Touch; Spiritistic Theory; Spiritism can explain all Facts; Are the Facts Trivial? As to Description of Another Life; Spiritism and Special Providence; Teachings of Spiritism; Have the 'Spirits' done any Good? Hudson's 'The Law of Psychic Phenomena'; Appendix. Some Opinions of well-known Men. A Partial List of the Names of such Persons as have believed in the Existence of a Spiritual World, and of at least occasional Communications between That World and This. HOW TO ACQUIRE AND STRENGTHEN**WILL-POWER.**

A Specific Remedy for Neurasthenia and Nervous Diseases.

A Rational Course of Training of Volition and Development of Energy, after the Methods of THE NANCY SCHOOL, as represented by Drs. Ribot, Liébeault, Liégeois, Bernheim, De Lagrave, Paul Emile Lévy, and other eminent Physicians.

By PROF. RICHARD J. EBBARD.

An epoch-making work of deepest interest to all interested in Psychic Research and Psycho-Therapeutics. What we need more than anything else in the present struggle for existence is sound nerves, a strong will, and infallible energy. This ingenious course of self-treatment first of all removes all impediments to energy and will-power, such as: Neurasthenia, absence of mind, insomnia, exhaustion and debility, headaches, trembling, timidity, trepidation, neuralgia, nervous pains, loss of appetite, indigestion, weak memory, confusion, fits of rage, inconstancy, alcoholism, nicotineism, hysteria, sexual disorders, cowardice, absent-mindedness, lack of self-confidence, melancholia, stage-fright, fright of exams, bashfulness, &c. Furthermore, an appendix has been added which gives an unfailing and permanent cure for gout and rheumatism. As a cure for neurasthenia and all the impediments to the development of energy, the following advantages can be claimed for this method: It takes effect immediately, and effects a complete cure in a few weeks, according to the severity of the case. Even the weakest and most wanting in energy can start with the treatment immediately without any trouble, but with unfailing success. It requires no pecuniary outlay other than the daily cost of living. It is neither troublesome nor tedious. No expensive medicines are required, no course of treatment, no sojourn at bathing resorts, &c., no cold water cure, massage, electrical treatment, hypnotism, &c., is necessary. It can be carried out without interrupting, or interfering with, your business duties or calling. It needs no assistance from a physician. It can be followed up unknown to those around you, and without the assistance of anyone.
